Rodeo Parade Rides Again

This year's Kinsmen Rodeo 113 parade promises to be a spectacular feature of the rodeo festivities happening June 15 and 16. The parade will be held on Saturday, June 15, beginning at 10 a.m. sharp.

Leading the pageant will be Alberta's Minister of Highways and Transport, the Hon. Clarence Copthorne, who is this year's Parade Marshall. The horse that Mr. Copthorne will be riding is supplied by Equestrian Manor. Hopefully Mr. Hubers of Equestrian Manor does not have a score to settle with the honorable minister and has supplied a sedate mount for the occasion. Please Turn To Page 2

Rene Morrisette and Father Jake Joly (in the hat) were the winners of the canoe races on the Sturgeon River during the opening ceremonies of Rodeo Week in St. Albert on Sunday, June 8. The fellows had a bit of help from Father Leverage who said he "prayed while they paddled." The winners received individual trophies, a big competition trophy which they will defend next year, and a cheque for \$50.00.

Youths Apprehended for Vandalism

Five of six buses used by St. Albert Separate School District No. 6 to transport their students to and from

school were the targets for two young vandals on Saturday, June 8. The sixth bus was in use at the time and escaped the attack.

The two youths, aged nine and 11, smashed out windows with rocks and the buses were left temporarily inoperable due to the profusion of broken glass inside. The buses were parked in their storage area on the Gulf service station lot not more than 50 yards from the police station. The act of vandalism was carried out quite blatantly at about 3 p.m. in broad daylight. Fear of being apprehended did not seem to inhibit the youths and they were picked up by the authorities. Their names have not been released.

Mr. Elmer Gish, superintendent of School District #6, stated that the damage was 'indicative of the mindless destructive behaviour occurring in our society.' In an effort to put a stop to such outbursts of inexplicable vandalism, the school Please Turn To Page 2

District 3 hears teachers position on salaries

The meeting of the Board of Trustees of St. Albert School District No. 3 was held on Monday, June 3. Mr. George Charenko, architect for the new Braeside school was in attendance. He informed the Board of the proposed types of flooring and windows for the school classrooms and considerable discussion followed.

The flooring would comprise tiles in some areas and carpeting in other areas where the noise problem would be a factor.

The suggestion that Orite carpeting be used in the lunch room brought forward several questions from the Trustees. Mr. Dave Fraser was concerned about the cost Please Turn To Page 2

Sunday celebrations involve community in Kin Rodeo Week

Rodeo Rainmaker opened with a bang on Sunday when hundreds of people turned out to watch a great variety of events which kicked off the biggest event of the year in St. Albert.

Action started at one o'clock at the swimming pool where Rodeo Relay was the first event of the Salfish Club's invitational relay meet, and the Kinsmen four-some defeated the Commonwealth Games entry from Percy Page Centre by an arm's length margin, to win the race, which resulted in last year's winners, the Kinettes having to forfeit the trophy to the stronger (?) sex. The Knights of Columbus and the Lions Club also competed, although the Lions were short-handed by one. Vern Rheault gamely did two laps and the Lions drew lots of laughter and applause for their outfits. Vern in an old

fashioned woman's suit which laced up the front and featured a cap to match. Rock Holman was in bright green longjohns complete with flap in the back and he demurely had swim trunks underneath. Bill Irwin was resplendent in a roaring twenties striped model featuring the half sleeves look.

The canoe race on the Sturgeon was a great crowd pleaser, featuring the dunk-Please Turn To Page 3.

Chemicals Scarce!

It appears that Carbyne, the wild oat herbicide, is in short supply, and farmers are therefore urged to obtain their supplies wherever they can. AFTER checking with the M.D. of Sturgeon Fieldmen,

Ernie Jamison, MLA for St. Albert, crowned Lorraine Gravelle, Queen of Rodeo Rainmaker 113 at the official opening of Rodeo Week in St. Albert on Sunday, June 8. The crowning of this year's queen was no easy task for the judges who had five very pretty and talented girls to select from.

After a memorable service in the St. Albert United Church on Sunday, June 8, Rev. Leonard Musto, right, and Rev. John C. Sargford unveiled a new sign depicting an open book and bearing the names of both churches. The sign commemorates a formal arrangement for joint use of the St. Albert United Church by both the United and Anglican congregations, which may be a first in Canada.

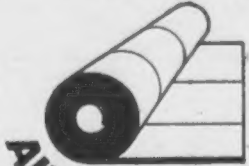

It's Rodeo Week in St. Albert

Parade

Continued From Page 1
sion.

Because the major feature of the weekend is indeed a rodeo, horses are a logical feature of the parade. Parade Chairman Dave Campbell reports that a magnificent collection of horses will be part of the affair. Animals

from the West Yellowhead Regional Appaloosa Association, Equestrian Manor, Square dancing on Horseback and local horses and riders will be out in force. The five lovely Rodeo Queen contestants will be riding in the parade also.

Marcel Lambert, MP for Edmonton West, will be participating in the parade, as will Mike Macdonald, Liberal candidate for the riding. A large contingent of well known local citizens will be participating in this grand display.

Bands from St. Albert, Morinville and Edmonton are scheduled to be participating in the fun. Included are the St. Albert Pipes and Drums, Morinville's Drum and Bugle Band, the City of Edmonton Police Pipe Band, Edmonton All Girls Drum and Bugle Corps, and the Edmonton Strutters.

The St. Albert Lions Majorettes, Fort Saskatchewan Baton Corps, and several other high-stepping, baton twirling groups will be taking part also.

A great many artistic floats representing clubs, organizations, businesses, and other communities add to the color of the parade. Antique cars operated by local real estate personnel, the Eskimo Fire Truck, and our own Fire Department will all be participating. There will even be five clowns giving away candies and peanuts to children along the route. Children from the Pedal Pushers will be there on their bikes decorated for the occasion.

In addition to participating

in the parade, entries will be eligible for trophies in categories such as: best senior band, best junior band, best horse entry, best float, greatest originality, building effort, and all around entry. Local people are urged to contact the Parade Chairman if they wish to participate in the parade. Everyone is welcome to join in. Mr. Campbell assures us that any local youngster can participate if they so desire. The parade will be covered by Capital Cable TV and replayed later.

Teacher salaries

Continued From Page 1

and Mr. Cherenko gave a breakdown on prices. While the carpeting would cost approximately \$50 more overall than asbestos tile, the carpeting is more desirable as a noise repellent and maintenance would be minimal.

Mr. A. Perrott attended the meeting on behalf of District 3 teachers and he made a strong representation to the Board to review the cost of living increase. Mr. Perrott explained that before attending the meeting he had phoned various local businesses to ascertain salaries. He said that plumbers can expect to earn \$15,200 a year and journeymen electricians \$16,000. Against this, a teacher at the fourth year minimum will earn \$9,300. Asked if he would prefer to be in another kind of work, Mr. Perrott replied that he would not, but he did not feel that he should be penalized financially for his dedication.

Mr. Perrott went on to explain that as St. Albert is fast becoming an urban area with an urban cost of living teachers are justified asking for parity with their Edmonton and Calgary counterparts.

If a 2 1/2 per cent or \$25 increase was granted, teachers would not experience any extra benefit but they would at least keep pace with inflation. Mr. Perrott said that he realized that a contract was a contract but

that at the time of negotiation, neither the teachers nor the Board could anticipate the high rate of inflation which was to follow.

Mrs. Sylvia Walsh asked if the morale factor should be taken into consideration and Mr. Perrott agreed that it should.

Mr. Dave Fraser expressed sympathy with Mr. Perrott's cause but he wondered where the Board would get the extra money from.

Mr. E. Howrish, chairman, informed Mr. Perrott that the Board would give the matter full consideration.

Mr. George Soetaert, assistant superintendent, reported that the Grade 1 orientation program would begin on June 17 through June 19 and that Grade 1 parent/teacher interviews would take place on June 20.

Mr. T. Baldwin reported that Vital Grandin School would shortly need an interior paint job. One estimate he had received quoted a price in the region of \$17,000. The Board gave approval for Mr. Baldwin to obtain further estimates.

Mr. Leon Tellier was in attendance for part of the meeting and he informed the Board of the progress of the religious study aspect. A committee has been formed and it has prepared an expanded Religious Studies program. The Board members were given a lengthy copy of the report to peruse at a later date.

Vandals caught

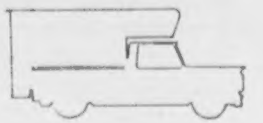

Continued From Page 1

authorities are sending letters home to parents urging their co-operation in measures to end the wave of expensive and senseless damage. It is estimated that such activities have cost over \$6,000 last year.

Mr. Glen Grimstead, spokesman for Western Bus Lines who supply the vehicles, reported that each bus had at least three windows broken. In the past, the price for replacing a windshield was approximately \$75. The price is anticipated to have

increased. Side windows and emergency windows have not been priced recently.

In addition to the cost and inconvenience caused by the damage, bus service was absent on Monday morning. Police personnel have been approached to step up surveillance to curtail further instances of vandalism.

ing of two Knights, Al Alain and companion, plus a lesser mishap to the ladies house-league entry, both of whom got going again in fine style, but not fine enough to beat Jake Joly and Rene Morris-sette who won the race. The Lions and the Fish and Game also had entries and this event promises to get bigger and better each year.

The race ended at the edge of Lions Park and the crowd assembled at the bandshell for the official opening with special events chairman Dave Stewart as master of ceremonies. Dave called on the five rodeo queen contestants who were assisted on to the stage by Peter Davis, queen chairman, whose help was needed as the girls had trouble seeing under their huge hats. Dancing in their hilarious costumes and paint job the girls were a big hit in the number "Raindrops are Falling on my Head."

MLA Ernie Jamison cut the purple ribbon to officially open Rodeo week and then

had the pleasure of crowning the queen, after a brief delay as the girls had a little trouble removing some paint. They returned in smashing yellow pant suits and looking just beautiful. Opening the judges envelope Mr. Jamison announced Lorraine Gravelle as Rodeo Rainmaker Queen and placed the purple rodeo sombrero on her head. She was presented also with a lovely bouquet of flowers by Mr. Stewart. "We have one queen and four delightful raindrops who will add a lot of sunshine to Rodeo 113 - thank you girls!" said Mr. Stewart. He also noted that Mr. Davis and the panel of judges were enthusiastically unanimous that they were five wonderful girls, and a judges comment that "we may be picking one queen but we have five winners." A brief description of the girls was given by Dave as well.

Rodeo Chairman Terry Moore was next on stage to give a run down of up-

coming events such as the Beerfest with The Blackwell Thursday night and the Barbary Brass on Friday and Saturday evenings, the Rodeo Parade under Marshall Clarence Copithorne on Saturday morning, the action on the weekend at the rodeo grounds, including Sunday afternoon's parachute jump. The rodeo celebrates the 113th year of our town, he said, and we want this to be a great week - with your support it will be.

Dave Stewart concluded this portion of the events by saying that the Kinsmen have just completed paying for the artificial ice plant at the arena and are now at work on a new project to build a community service centre. A successful rodeo, if the sun shines will help us meet our commitment of \$20,000 towards this project, he concluded.

A catch the greased pig contest came next and later in the afternoon the Lions Majorettes and the St. Albert School of Dancing performed at the bandshell.

Mr. Stewart was warm in his appreciation of the support of local clubs and the

bandshell performers, canoe and swim teams and the Lions for the use of the park, in making the days such a great kick-off for Rodeo Week, with up to 600 people on hand. In opening the rodeo Mr. Jamison said he felt he was speaking for everyone present when he thanked the hard working Kinsmen for the tremendous effort they put into the Rodeo. The event annually draws the largest crowds of visitors to St. Albert of any occasion and all the residents are pulling for sunshine for Rodeo Rainmaker 113.

Government has shopping problems

The federal government has not been succeeding in its aim to spend its shopping dollars fairly throughout Canada according to figures from the Department of Supply and Services.

Since it was created five years ago, the department has been trying to decentralize its activities as the federal government buying agency, but the gap between

the haves and have-nots seems only to widen.

Ontario's share of the total increased - from 45 per cent in 1972-73, to 47 per cent in 1973-74. In the same period Quebec's total decreased from 29 per cent to 24 per cent.

The west's share dropped from 13 per cent to 11 per cent and the Maritimes dropped from 6.5 per cent to 5.7 per cent, according to department figures.

Leo Nickerson students visit Pioneer Lodge

Eighty-seven grade six students from Leo Nickerson Elementary had 'a really good time' at Pioneer Lodge last week. The group left for the lodge on June 3 and, for five days, participated in a host of activities as part of the Outdoor Education Program being offered to students of the Separate School System in St. Albert. They returned on Friday, June 7.

The list of activities offered included archery, riflery, horseback riding, orienteering, swimming and lessons, evening activities, campfires and singing, and repelling. Repelling is the term given to descending a cliff face. The campers went on a hike to a farm in the area to observe the animals while they were at Pioneer Lodge.

The cost of the camp was \$9 per student and the fund for the Outdoor Education Program picked up extra cost. Two parents, Mrs. Larson and Mr. Pearce, went with the group along with six grade six teachers from Leo Nickerson. The support of the parents was very significant in the success of the camp.

This camp was the first of its type to involve all the grade six students but for the last two years one of the grade six classes participated in similar camping ventures. Planning is underway for the camp for next year.

BULLETIN

A major breakthrough in no-wax floors...

SOLARIAN[®] by Armstrong

Armstrong has never promised you a no-wax floor... until now. Solarian is a floor that really does shine without wax. Its exclusive Mirabond™ wear surface has a gleaming shine of its own. And it keeps its high gloss and beautiful colors—without waxing—far longer than an ordinary vinyl floor. Spills, dirt, even black heel marks come up easily, ending the drudgery of scrubbing and waxing. Come in and see the no-wax floor that keeps its promise.

Concord shatters record - Paris to Rio and back

Concorde shrank the world a little smaller when a group of travellers landed back in Europe yesterday evening (Wednesday) after a day trip to South America.

This was a record shattering double crossing of the Atlantic - Paris to Rio de Janeiro and back. Concorde 02 covered 12,024 miles in a flying time of 11 hours 20 minutes, an average speed of 1,060 miles per hour. It was supersonic for just on 10 hours - most of the time touching twice the speed of sound - and would have bettered this but for the requirement to stay subsonic over France.

The flight, equal to half-way round the world in half a day, was the fastest for such a distance. The round trip was the climax of a series of test flights between the two cities and the most ambitious flight yet attempted by the Anglo-

French supersonic jetliner.

The earlier flights had been punctuated with an overnight stay in Rio but yesterday's was round trip that dramatically illustrated Concorde's potential over long distances. Even with short breaks in Dakar and Rio the overall average speed was 1,000 miles per hour.

At Paris passengers said although they were tired after the day's flying they had not suffered the strains of jet lag when a traveller passes through changing time zones. This was because Concorde had whisked them twice through the time zone and returned them to their normal environment in the same day. Normally a passenger suffers jet lag when the body's time cycle is upset by losing or gaining up to nine hours on arrival in a different part of the world.

For outdoor use

Consumers' Association of Canada reminds consumers that warm charcoal briquets may produce a dangerous accumulation of carbon monoxide if used as a source of heat in confined space

such as a tent. The briquets are convenient, inexpensive, generate heat quickly and have no detectable odor. If left outside to cool and die, they are safe.

Back pack for hikers

Winnipeg resident, Robert N. Waldon, has devised a new back pack which he claims will permit access to the contents in any area of the pack without disturbing the rest of the contents. The novel design is such that the size of the pack can also be adjusted to eliminate troublesome shifting of the contents. Mr. Waldon's invention was patented in mid-March of this year.

Library gains temporary space

Town Council has met the crush for space at the Town Hall and the adjacent library by purchasing a temporary building and erecting it south of the library. The 960 sq. ft. building is in reality two trailers joined lengthwise.

The building is designed to accommodate local groups needing meeting space. This includes Town Council itself, which, for some months has been holding its weekly meetings in the Clubhouse, having been forced out of its chambers in Town Hall by staff growth. Similarly, the St. Albert Public Library has expanded its operation to the point of capacity in its present building, the Town's 1967 Centennial project. The meeting room will be converted to adult book area over the summer.

In order for the library to continue to provide free meeting space to local groups and to continue to offer film showings, puppet

shows, and other regular programs, the temporary building has been erected adjacent to the existing library, and in fact, attached to it, on the south side. When the meeting space thus provided is not being used for library programs and town council meetings each Monday evening, the space will be made available free of charge to recognized local organizations.

The new space will accommodate more groups than the library lecture room previously did, because the building can be divided into two 480 sq. ft. rooms with separate entrances. Consequently two groups may use the building simultaneously. Both rooms will be furnished with chairs, tables, including the council table, blackboards, bulletin boards and coat racks. The library's washroom and kitchen facilities will be directly accessible from the new premises.

The entrance to the building on the west side will face additional parking stalls.

The building, which will be operated through the library under its Board and Librarian, will be landscaped in time for the heavy use of fall meetings.

The Library Board has reported to Town Council that they feel free from a study of other centres and information researched, that they require 24,000 square feet and they have now a little

over 5,000. Council is considering making the present town hall available for a cultural centre at such time as a new town hall is built, which would be at least two years away. This would provide an additional 9,000 sq. ft., which would triple the present library space, although far below 24,000. Mr. Robert Byron, administrator, reports that as renovations are being carried out at the town hall, provision for weight requirements of book shelves has been made.

WI women learn how to prune trees

Mr. Wally Klatt, Sturgeon District Agriculturist, was the guest speaker at the recent Women's Institute meeting held at the farm home of Mrs. J. Rozsali.

Mr. Klatt showed the members how to prune trees and shrubs, stating that most deciduous trees should be pruned just before leaves come out in spring, except Weeping Birch and Manitoba Maple. When pruning fruit trees, prune out all thin and dead wood, all crossing branches. You may head back a leader by cutting off one-sixteenth inch above a bud, cutting at an angle. When pruning Dogwood, Nanking Cherry and Honeysuckle, cut out dead or weak parts down to the bottom. Prune Spruce by cutting off new growth right after it has grown and produced needles, this way it will still bud. To prevent a top of Spruce from growing out crooked, pick one piece as a leader and bring it up straight and tie it. This way it will grow straight. When a Honeysuckle or Lilac has grown to be about 12 years old, cut it right down and it will grow again. Protect small fruit trees from sun scald. Don't overwater Colorado Spruce. Try to have fruit trees with only one trunk or leader with side branches. Any Hunsia or hardy roses that were winter killed should be cut right down. Trim trees to their natural state - don't shear them (give them an old-fashioned haircut).

Mrs. Sharon Taylor, the WI representative in the bike-a-thon, successfully completed the 25 miles. Constituency Conference delegate, Mrs. Agnes Richardson, gave her report stating that in this constituency there are 178 members in the nine WI branches. Panel discussions included the following topics:

- *responsibilities of an executive
- *programming of meetings using WI aims and objectives.
- *branch reports - the pulsebeat of the constituency activities

Glendon WI won first place in the handicraft competition followed by Ft. Saskatchewan and Warspite. Mrs. Holt constituency convenor, spoke on the happenings of today with her theme "Action, Involvement, Growth."

Plans are underway to enter a float in the Rodeo parade, with Mrs. Doreen Robinson's group in charge. The next meeting will be the annual barbecue to be held June 18, at the home of Mrs. Marg Iseke, 19 Grantham Place.

THE BEST FOOD AT THE GROUNDS

ST. ALBERT & STURGEON GAZETTE, WEDNESDAY, JUNE 1, 1974 - 5

Breaking camp at Island Lake involved neatly tied gear and three trips by barge to get it across the lake to waiting buses. Flags are being stowed carefully on the top.

This neatly fenced off campsite was erected by 1st Westlock troop at the long weekend campout held by Landing Trail District. Scouts are seen at the tripod washstand at centre and benches and storage box in the foreground. Two prizes were awarded for best campsites, both of which were won by St. Albert scouts.

Scouts enjoy weekend under canvas

Seventy scouts from Landing Trail District had a great outdoor experience at Island Lake over the long weekend in May. 3rd, 4th and 5th St. Albert troops were represented, the St. Albert Sea Scouts, 1st Morinville troop and 1st Westlock. The party also included six Venturers, two Senior Scouts, four parents and nine leaders.

It took three barge loads

to carry their gear over to Nickerson an island in the lake, which they had all to themselves. Then the rush was on to pick a campsite. The scouts could choose any place they liked and it was entirely up to them to build their campsites, pitch tents, dig fire pits and latrines. Everyone was under canvas for all activities as there were no permanent

facilities on the island. The boys had been required to buy the food they took and they did all their own cooking.

Over at headquarters the 'brass' had Elroy Haight as cook, plus a camp stove, but headquarters was out of bounds for the Scouts, except at evening campfire time. Dr. Wade, father of one of the scouts, and the Venturers looked after First Aid, but nothing too serious was encountered.

The Scouts showed quite a bit of initiative in building their camp sites and one group constructed a sauna, while another rigged up an alarm system which was so effective that a leader on

inspection rounds did not even know when he tripped it, alerting his charges.

The weather was good, with cool evenings and mosquitoes were no problem. They had a sail boat and small motor boat belonging to Landing Trail and one troop brought along a kayak.

Choice of activities was up to the boys and everyone involved reported an exceptionally fine weekend. They will be going back to Nickerson Island for summer Scout Camp during the second week in July, and any parents who would enjoy a relaxing outdoor weekend 'away from it all' are asked to telephone Bernie Rempel at 459-3868.

Cable T.V. to cover Kin Rodeo Parade

For the first time in the history of St. Albert Rodeo, the annual parade will be covered on local television (weather permitting).

Capital Cable TV's Cable 10 Mobile will be situated on the parade route to capture the color and excitement of the floats, bands, and assorted entries.

A former resident of St. Albert, John Bauman, will team up with Marcia Scamell to provide the commentary.

John has been involved in

the broadcasting industry for a number of years and was recently an employee of Cable 10. Marcia has been an active member of the St. Albert-on-Sturgeon Players for many years and with her knowledge of St. Albert and its people, the results should be informative, colorful and entertaining.

The parade will be videotaped and will be aired on Sunday evening 16th of June on Cable 10 at 10 p.m. and will be repeated Monday evening 24th of June at 6 p.m.

Ludwig contests Edmonton West

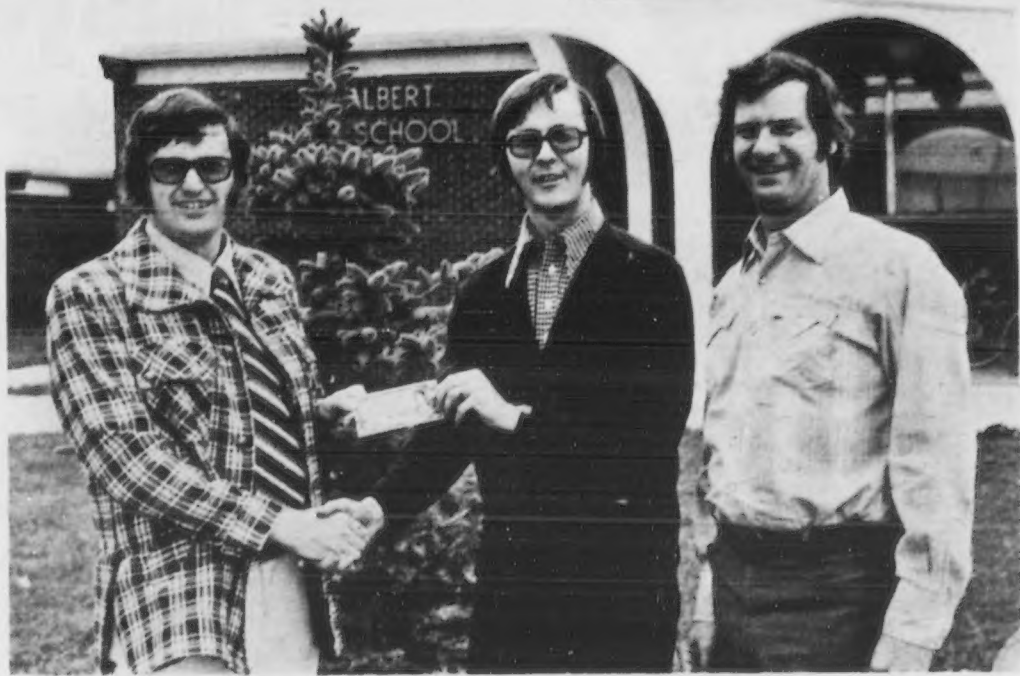

John Ludwig has been nominated Social Credit candidate in Edmonton West riding for the July 8th federal election.

Mr. Ludwig was appointed as Dean of Business Education at Alberta College in 1969, a position he still holds. He also does some work as a consultant in administration and industrial development and he is president of the Association of Independent Schools and Colleges in Alberta.

He was pleased with the statement of the Alberta Social Credit League at a federal party rally held recently in Red Deer. Mr. Francis Porter made an official statement on behalf of the league, giving 100 per cent backing to the federal Social Credit candidates and to the federal party leader, Mr. Caouette.

Mr. Ludwig's mobile headquarters may be reached by mail at Box 214, M.P.O., Edmonton or by telephoning 488-5219.

Mr. Alvin Gaetz is the Wetaskiwin riding Social Credit candidate, which extends partly into the rural district.

Hank Reinbold, chairman of Camp Lacombe, accepts a \$100 cash grant from Terry Wispinski, president of the St. Albert ATA Local #68. Ross Johnston at right acknowledged the grant on behalf of the young campers who will benefit from the donation. This is the second year the ATA has supported the camp to this amount and Mr. Johnston asked Mr. Wispinski to convey the thanks of the Camp to all of the teachers in Local 68.

Register soon - Camp Lacombe

Camp Lacombe, sponsored by the St. Albert Roman Catholic Parish, will open on June 30, under the direction once again of Mr. Ross Johnston, principal of St. Albert High School, and a team of qualified leaders.

Located five miles west of Alberta Beach, on Lac Ste. Anne, the camp offers modern facilities for a comprehensive camping program, including Red Cross swimming instruction, canoeing skills, hiking and sport activities and arts and crafts.

The aim of the camp is to allow children to live closely with their peer groups, and with nature, while developing qualities of leadership, sportsmanship and the art of survival. It is non-denominational and not a bible camp, but religious

values are stressed.

Registrations and fees must be in three weeks before the time of the revelant camp, to Mrs. Oddleifson at 28 Grosvenor Blvd. Bus transportation is provided, leaving each opening

date from the Parish parking lot at 2 p.m. and returning each time at 4 p.m.

Please see advertisement on this page for acceptable registration form to complete and forward together with fee.

The mobile operations centre will be used for various Century Celebration functions throughout Alberta including the RCMP Musical Ride Tour.

Summer library hours

Starting Monday, June 24 through Saturday, August 24 the St. Albert Public Library's hours of service will be: Monday to Friday, 10 a.m. to 8 p.m., Saturday - 10 a.m. to 2 p.m., Sunday - CLOSED.

In addition the library will be closed on Monday holidays in July, August and September. When school resumes the hours will revert to normal and Sunday service will again commence later in the Fall.

Regular Events

MONDAY - 7:45 p.m. Camp Lacombe Bingo in Parish Hall.

WEDNESDAYS - Community League BINGO, Community Hall, St. Albert.

Summer Games tennis trials

The first Alberta Summer Games to be held in Calgary, August 22 - 25, 1974, will include tennis as one of the Alberta Class competitions. This means that at least six of the seven zones that the province is divided into will have representative tennis

teams at the Games.

St. Albert is in Zone 7 which includes approximately 24 towns and cities in North Central and North Eastern Alberta but which does not include Edmonton.

The St. Albert Tennis Club

in co-operation with the St. Albert Parks and Recreation Department will be hosting the Zone 7 trials at the Mission Park Courts on June 22 and 23. The team will be made up of 10 competitors - four juniors (two ladies and two men) over 12 and under 18 as of Sept. 1, 1973; four open (two ladies and two men) and two junior veterans (35 and over as of Sept. 1, 1973). All competitors will be required to play singles in the Games competition and their team members will be selected on singles play. Any residents of St. Albert interested in taking part in the trials must contact Lorne Wood, 459-8696 no later than Monday, June 17, 1974.

Summer fun for young readers

The St. Albert Public Library will be repeating its popular Summer Reading Club this summer for boys and girls in St. Albert in Grades 1 to 6. The theme of this year's Reading Club is "LET'S GO FLY A KITE."

To register in the club for the summer children should stop in at the library and leave their names before the end of school. The club will start on the first day of holidays, Monday, June 24 when children registered for the summer will be able to report on the books they have read at the library daily from 1 to 3 p.m. This daily reporting time will continue throughout the summer.

Upon registering each child will have his or her name put on a small kite which will "fly" in the library all summer. For every 10 books that a child reads he or she will get to "fly" another kite.

At the end of the summer holidays there will be a Summer Reading Club party at the library. The highlight of the party is the awarding of reading diplomas.

All children are welcome to join. During the summer library books may be borrowed for FOUR weeks upon request.

The last of the spring storyhours at the St. Albert

Public Library will be held on Thursday, June 13 and Tuesday, June 18. The popular hour of stories, games, and songs will resume in July once a week for the summer. Watch the Gazette for further notice.

SUGARLAND EXPRESS

A hard movie to forget, Sugarland Express is very versatile with its humour, adventure and suspense. The plot is unique, almost unbelievable and is filled with surprises. Goldie Hawn is found in a very dramatic role yet still manages to sneak her famous laugh into a few scenes. Ben Johnson plays a "tough but reasonable" Texas police captain who refuses to resort to violence in any situation if possible. He keeps his patience and sense of humour while a young couple break law after law to retrieve their child from a foster home in a town called Sugarland.

The ending is obvious and dreaded, the young couple have become heroes to the people that have heard of them, but we all know that the law usually comes out on top.

Sugarland Express is now showing at the Rialto Theatre, 10134 - 101 Street, Phone 422-5877.

AROUND TOWN

Mrs. Pam Cave of Havlok, New Zealand is visiting with the MacFarlanes of 14 Gresham Boulevard for a couple of months. They will be visiting Banff and Jasper parks and the Niagara Peninsula.

** ** *

Roland Burton and Milton Burton Jr., sons of Mr. and Mrs. Milton Burton will be part of the team doing the parachute drop at the Rodeo grounds on Sunday afternoon at two o'clock. Both young men are members of the Edmonton Sky Diving Club. Arrangements were changed after the Kinsmen Rodeo Program was printed and there will be one jump only on Saturday afternoon at 2 p.m.

** ** *

St. Albert Third Company of Guides is in need of a leader and anyone interested is invited to telephone 459-6571. The Guide movement is very active in St. Albert and the assistance of a volunteer would be greatly appreciated.

** ** *

Bobby and Judy Knowles and children, Cameron and Colleen, left St. Albert on Monday for Vancouver Island where they will be making their new home. Following a visit to the coast at Easter time the Knowles decided that was the place to

be. Bobby quit his job and they put their house on Marchand Crescent up for sale and their cottage on Mann Lake and started packing. A group of close friends gathered at the home of Mr. and Mrs. Gerry Ward's on Flagstone Crescent for a farewell party Saturday evening.

** ** *

The St. Albert Arts and Crafts Society are planning a display and sale to be held on the Grandin Shoppers Mall, Saturday, June 15. Demonstrations in pottery, weaving, enamelling and batik will be held and puppet shows for the children are planned. The display opens at 9 a.m. until 3 p.m.

** ** *

June attractions at Provincial Museum

Activities scheduled for the month of June at the Provincial Museum of Alberta in Edmonton include films, Cultural Heritage performances, public events, feature exhibitions, and new habitat exhibits.

A selection of educational film features will be shown on Saturdays at 2 p.m. On June 15, the films which will be shown are: "The Changing Wheatbelt," "Settlement of the Western Plains," and "Beaver Valley." On June 22 "World in a Marsh" and "Turn of the Century" will be shown. On June 29, "Life in the Grasslands," "The Mountains," and "Canadians Can Dance" are scheduled.

Cultural Heritage performances of interest will be taking place on Sundays at 3 p.m. On June 16 the Phoenix Choir (German) will be performing, on the 23 of June the Rozmai Ensemble (Ukrainian Folk Group) will perform, and on June 30 the Northern Alberta Brass Ensemble can be heard.

Among the public events scheduled for the month of June is a meeting and slide presentation by the Canadian Wolf Defenders on the 26.

In Feature Gallery #1 a display of Edmontonian Alfred Blyth's prize winning photos is on display for the entire month of June. The photos have won international awards over 40 years.

"The Alberta Environmental Scene," including brochures, maps, briefs, photos, and publications, is consolidated in Feature Gallery #2 until June 23 is an informative study. Throughout the month of June in the Lower Indian Gallery a collection of paintings by Carl Rungius are on display. One hundred paintings are in the collection.

New habitat exhibits include two mountain animal scenes, "Cougar Near Maligne Canyon" and "Mountain Goats on Mount Bourgeau" are beautiful permanent displays of animals in their natural settings.

CKUA Radio to Blanket Province

The first phase of extension to radio station - CKUA's coverage will be to build FM stereo rebroadcast transmitters of 100,000 watts in Lethbridge, Calgary, Edmonton, Medicine Hat, Red Deer, and a site still to be chosen in the central Peace River area. The announcement was made by the Alberta Educational Communications Corporation (ACCESS) which has operated the station since April 1st.

The second phase of CKUA's province-wide extension will be to do 'step-outs' from these transmission centers to assure reception of the signals in outlying towns. The third phase will be to fill in the remaining 'holes' in the network. The operation will be completed by the summer of 1977.

FM was chosen over AM because of the superior sound delivery available through the former and the reliable day and night reception. About four times as many AM transmitters would have been needed for blanket coverage of the province.

SPONSORED BY THE COUNCILS OF ST. ALBERT

The 'Raindrop Gang' made an appearance at the Lions Park Bandshell as part of the official opening of Rodeo Rainmaker Week. The five members of the gang are actually the five Rodeo Queen contestants. They danced to the Kinsmen's favorite tune - "Raindrops Keep Falling on My Head" - for their contribution to the opening ceremonies.

Indian Lore Course to be Conducted

A unique school to be completely operated by the Stoney Indian Band will open July 1, 1974. Each week 80 students will participate in programs, a wilderness program and a culture program, which offer an immersion into the Indian way of life.

The Wilderness program consists of a stay in a Wilderness camp approximately three miles from the base camp and schooling in Indian appreciation and knowledge of the wilds. While at the wilderness camp, students will stay in lean-tos or teepees. Tuition is \$195 per week.

The culture program is to be conducted at the base camp. The course is designed to give the participants

an insight into the Stoney Indian history, culture and lore. The tuition for this course is \$145 per week.

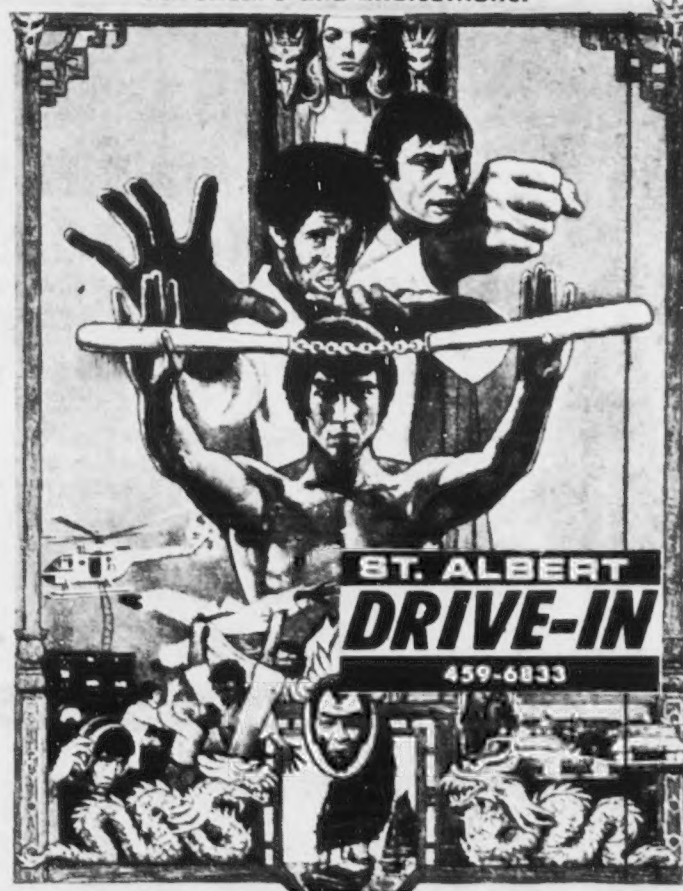

Both programs offer an immersion into the Indian way of life, which, when taught by the Stoney Indians,

give the student an understanding, unattainable in present day textbooks. For further information contact the Old York County Magistrates Court Building, 57 Adelaide Street East, Toronto, Ontario.

Society selling RCMP records

The St. Albert Historical Society is selling both the long play and the souvenir 45 record entitled Scarlet and Gold, and featuring the Royal Canadian Mounted Police.

The long playing record

is just grand, said Arlene Borgstede, past president of the Society, and I am sure that sales of both these records will help us with our 'new museum' fund.

At present Mr. Joe Meleshko has the records on display in his shop, as it is not possible to have the museum manned throughout

business hours. The long play comes in a double folder, complete with historical notes, pictures and the words of all the songs.

On July 6 St. Albert residents will be able to purchase them on Grandin Mall when members of the Historical Society have a booth set up.

Sam students spend week at Moose Lake

Last week 90 grade six students from Sir Alexander Mackenzie School travelled to Moose Lake, some 140 miles south-east of St. Albert, and spent seven days indulging in activities they planned themselves. The project is part of the Outdoor Education program being undertaken by the Separate Schools in St. Albert and the students spent three weeks planning the trip.

Among the activities planned and participated in were tie dying, archery, canoeing, trust walks, first aid, photography, movie making, edible plants, animal study, leather crafts, swim instruction, construction of outdoor saunas, and paint-

ing with natural paints. The list of activities included three hour hikes, cooking, pottery, candles, an overnight hike, and making a homemade back pack.

The three organizers of this outing were Mr. John Osgoode, Mr. Hugh Phillips, and Mr. John Phillips. Mr. Hugh Phillips feels that the parents of the students were the key for the entire affair. Eight of the 15 staff members were parents of campers. He feels that the support stemming from the parents contributed significantly to the camp's success and the relatively low cost per camper. A number of parents 'gave up' the week to donate their time and

energies to the camp.

Mr. Phillips reports that the Outdoor Education Program will continue next year. The students have been carrying out an appraisal of their trip and the consensus has been positive.

Pheasant program receives grant

The St. Albert Fish and Game Association was one of three in the province to receive a grant of \$2,000 to assist with pheasant-raising programs. Bird Game chairman, Phil Ficht is in charge of the program, and already has plans for a new brooder house and improvement to pens. Work on the project goes forward through

the summer, when the Association does not meet, and Mr. Ficht will be reporting in the fall.

He has been assured of delivery of the birds in early July, and since this year only day old birds are available, brooder facilities will have to be available then. Anyone interested in lending a hand would be welcomed

and Mr. Ficht notes that he has met many interesting people and has also learned a lot about pheasants in through his area.

This year the St. Albert Fish and Game are holding a junior fishing contest for boys and girls 16 years and under. Small trophies will be given for the biggest jackfish, perch and any species of trout. There will be a trophy for the best wild life picture as well, and entries will be judged by the executive. The contest is open to all boys and girls whose dads are members of the Association. Trophy chairman

Adrien Gamache alerts the young people that Miss Chamberlain will be a tough competitor in the trout category, with the coaching she gets from her dad, Russ, and her experience extends to white fish in winter as well.

Orders are again being taken for the club's new jackets through John Ficht, 459-9209.

During the summer members scoring fishing successes are asked to report their good "fish stories" to Andy Anderson, who is interested for his September issue of the Fish and Game newsletter.

AROUND TOWN

Rodeo Chairman Terry Moore commented at the official opening of rodeo week Sunday that perhaps the Kinsmen should credit the congregations of the United and Anglican churches for the fact that the day was sunny, since they had held a joint picnic at Lions Park at noon. Parade Chairman Dave Campbell says the town feels they have a 90 per cent chance of getting Peron Street and Mission Ave. ready for the parade Saturday morning - if there is no more rain.

Ozzie's Sports Shop Operating on Grandin Mall

A new arrival to the family of stores on the Grandin Mall is Ozzie's Cycle and Sports Shop which opened on May 21. All sorts of sporting goods line the shelves of the store located just east of Macleods. Accom-

panying the stock of bicycles is the necessary equipment for hockey, baseball, fishing, hunting, tennis and golf. The owner and manager of Ozzie's, Mr. Jack Osland, reports that his inventory is still growing. 'The res-

ponse has been great.'

In addition to sporting goods, Ozzie's carries a line of Toro lawn mowers and Homelite Chainsaws.

Fishing seems to be a major concern of Ozzie's Cycle and Sport Shop. Mr. Russ Thornberry, Ozzie's fishing expert, is hoping to conduct classes in fly tying which should be of interest to the anglers in town. 'We also do custom fly tying if someone has a particular type in mind which they can't buy in a store.'

Jack Osland has been a St. Albert resident for four years. His wife's name is Charlene and they have a one year old son named Jonathan. Jack, along with Rick Osland and Russ Thornberry complete the staff and they express a strong interest in

Jack Osland (centre), Rick Osland (right), and Russ Thornberry (left) form the staff of the new Ozzie's Cycle and Sports Shop on the Grandin Mall. Ozzie's carries a large selection of sporting goods and equipment which should be of interest to St. Albert's sport orientated population.

Summer Skating School at Sturgeon Arena

The Auralta Figure Skating Club is taking a step forward this summer by operating its own Summer Skating School. The school is one of a number of progressive moves in the activity of the club.

The Auralta Summer Skating School will be using the facilities of the Sturgeon Arena (142 Avenue and 142 Street) from 8 in the morning until 10 at night, seven days weekly for seven weeks beginning June 24. Registrations are being received from Alberta, Saskatchewan North West Territories and even from Prince Edward Island.

Six instructors are currently on the summer staff and applications for staff are still being accepted. Semi-private lessons are not recommended but can be arranged for small groups. The price for this type of in-

struction is dependant upon size of group. A television recorder is available to augment instruction which should make an efficient aid to teachers and students.

On August 26 the club returns to Londonderry Arena to begin its regular fall and winter sessions. For further information on the Summer Skating School contact the Auralta Figure Skating Club - 7908 - 147 Ave. Phone 476-2315 (days) or 476-5117 (evenings).

St. Albert REC. NEWS

SWIMMING:

An advertisement in this issue contains information about the instructional classes being offered at the pool in July. Registrations will be taken on Tuesday and Wednesday, June 18 and 19 in Sir George Simpson School on Grosvenor Blvd. between 7 and 9 p.m. on each evening. For lessons in August, registrations will be taken towards the end of July.

In order to be fair to everyone there is no pre-registration. If, because of holidays or some other reason, it is not possible to attend a registration, it is suggested that a friend be asked to take care of the registering. One good turn deserves another and perhaps you will be able to return the favor on another occasion.

Many children are meeting all the requirements of the senior level in the Red Cross program at an early age. For those who still want to improve their swimming in a class situation, consideration is being given to offering a class where they would be introduced to varied aquatic skills: synchronized swimming, water polo, strokes used in competitive swimming, etc. It could be called an aquatic pot-pourri. It is not part of the Red Cross program and those interested are asked to please leave their names at the pool and a class may be arranged if there is sufficient interest.

There are now a few (very) openings left in an intermediate and a senior class which will be held at 4:30 p.m. each weekday from June 17 - 28. Register at the De-

partment of Recreation in the Town Hall.

Applications for season tickets are still available at the Town Hall. Costs for residents are: family - \$36., adult \$14.50; student \$12 and child \$8.50.

The annual water show will be held on Sunday, June 23 at 2 p.m. Watch for the advertisement.

The co-operation of parents in returning a few of the missing locker keys is much appreciated. However, quite a number are still missing and parents are again asked to check if their children have forgotten to leave them at the desk after use.

MODEL AIRCRAFT:

The Edmonton Model Aeronauts will be holding a competition on Sunday, June 23. Boys who attended Mike Kay's model aircraft classes either before or after Christmas wanting to enter should phone Mike at 455-8648 for information.

PEDAL PUSHERS:

The very important pedal pusher program is running into problems where motorists are apparently reluctant to avoid driving or parking in the marked-out locations where children are being taught the rules of safe bicycle riding.

If attending a game or practice on a sportsfield nearby, PLEASE try to keep well away from the children and their bicycles. They are very young and are concentrating on what they are doing and do not expect to do and do not expect at this stage to have to look out for cars. Park somewhere else and not on the specially marked circles and lines, etc. on the evening on which the program is

being held: June 12, 14, 18 and 20 from 7:15 - 8:15 p.m. on each evening. And please don't drive through a parking lot when the sessions are actually in progress; show consideration and courtesy.

Drama group to hold annual meeting

The local little theatre group, the St. Albert-on-Sturgeon Players will hold their annual general meeting on Sunday, June 16 in the Clubhouse next to the swimming pool from 7:30 to 9 p.m. The purpose of the meeting is to assess this year's activities and to elect an executive. Everyone interested in the continuation of amateur theatre in St. Albert is invited to attend.

In addition to the short business session there will be a short reading from a Neil Simon comedy, The Prisoner of Second Avenue. Coffee and dainties will be served. The occasion will also afford an opportunity for everyone to see all the photographs, slides and movies of this year's three productions, The Matchmaker, Once Upon a Clothesline and Thieves' Carnival. Orders may be placed for prints at this time.

It is hoped that plans for next season can be made at this meeting so ideas are especially welcome as are newcomers to St. Albert.

Two St. Albert High students made an excellent showing at the Provincial High School Track and Field Meet in Calgary this past Saturday. Sean Kehoe won the junior boys 100 m. and 200 m. events, establishing new provincial records in both runs. Sarah Van Tighem won the junior girls shot put and placed fifth in the high jump, 100 m. and 200 m. Other students from St. Albert High competing at the Provincial level were Susan Bell and John Kennedy.

Mr. Dick Krenz, organizer of the Division 3 and 6 Junior High District Track Meet, makes the presentation of the ATA trophy to the first place winners of the June 3rd meet. Father Jan School was on top for the fourth year with 220 points. Pictured are (from left to right) Bill Berry, Dale Rurka, Jim Scheibhofer, Tammie Osborne and Mr. Krenz. Lorne Akins School came second in the meet with 148 points and St. George Simpson School was in third place with 138 points.

Lions cook for wives

The Lady Lions held their end of the year barbecue at Olive and Murray Keyes on Monday evening.

The husbands cooked the steaks while the Lady Lions held a short business meeting.

The benefit dance on Saturday, June 1, brought in a nice amount to add to the Camp He-Ho-Ha fund. Later the number of children sent to Camp He-Ho-Ha will be reported. Thank you to all who supported the dance.

The barbecue was over with a large thank you to Olive and Murray.

GOOD LUCK!

A gut issue for the election

Are cost of living, leadership, and bilingualism the only real issues of the election campaign? Not according to top insurance sales-

man Colin Brown. To him, the gut issue is the growth of government and the growth of government spending.

Brown is the man behind

Arts & Crafts Guild elects new board

The local Arts and Crafts Guild held its annual general meeting last Wednesday evening in the Clubhouse, with about 50 members present. Retiring Board members Karen Grant, Pat de Wit, Linda Hayworth, Judy McNeil and Neil Burke were thanked for the dedication and hard work they have contributed to the Guild's activities.

Co-ordinator Lois Folkins was also thanked for all the time and effort she gives the guild. Lois will continue as co-ordinator. Board members Linda MacPhee, Sandra Van Eldik and Len Byl were re-elected and will serve as president, vice-president and member at large respectively.

Five new members were elected to the Board: Linda James, secretary; Annette

Delb, treasurer; Kathy Mills community liaison; Sharon Taylor and Betty-Lou Kindelmann members at large. The new Board expressed its enthusiasm about the possibilities of extending the Arts and Crafts Guild's activities to accommodate even more of St. Albert's residents and artists.

A reminder of the Guild's latest upcoming event: This Saturday in the Grandin Shoppers' Mall the Guild presents demonstrations, displays and sale items from 9 a.m. to 3 p.m. -- everyone's welcome! Anyone interested in guild membership or further information about Guild activities is welcome to contact Mrs. Lois Folkins, the Guild Co-ordinator at 759-7344 or the Recreation Department at Town Hall.

Auxiliary pleased with spring tea

Members of the Ladies Auxiliary to the Royal Canadian Legion were well pleased with their tea, bazaar and plant sale held at Legion Hall on Sunday afternoon, which netted them upwards of \$400. It was the first tea the auxiliary had held for some time, and after the decision was made there were only seven weeks of preparation time, so the girls were extra busy, and it was surprising how many attractive and useful items they had at the bazaar table. "We have just enough items left for seed for our next one," said convener Shirley Sorsdahl. The bake table was sold out and only a few plants were left. The money doll raffle was also kicked off, an annual project of the auxiliary.

Ten young girls did a fine job serving the tea tables. They were daughters of members and their friends and were kept busy all afternoon. There were over 120 paid admissions.

Marie Eschak handled the plant table, Betty Bremner the bake table (who else?), Vera Parks and Eleanor Leonard the bazaar counter, and Mary Dugas the membership table. Thora Millroy was at the door, Bernice Wilson looked after the cushion raffle, June Kendel the tea table and Eileen Gillard looked after the money doll, which project she originated. The rest of the Auxiliary were in motion, said Shirley.

Mrs. Christine Nimmo of St. Albert won a door prize and Edward Eschak of Mannville, Joanne Cockwill won a bottle of perfume, a special prize drawn from names of women who brought along their husbands to the tea. Shirley Watson of Fort Saskatchewan won the cushion.

The hall looked very festive, with flowers and silver services gracing the serving table and all the tea tables had attractive vases with fresh spring flowers. Ladies who poured tea were given lovely corsages.

the Citizens' Coalition, a group sponsoring a series of cross-Canada advertisements aimed at getting the election campaign to turn around this one issue - the cost of government. The advertisements pose five questions, essentially asking why the rates of government spending and hiring are rising so fast, and when, if ever they will begin to level off. It seems Brown has touched on some kind of nerve among what he calls "the silent majority people." Ten days after the first advertisement appeared, he had received 12,000 coupons and \$2,000 in donations. The coupons are now being duplicated so they can be sent to each of the three main party leaders. The money will be used to pay for more advertisements, possibly on radio and TV if the donations continue.

Brown has already achieved some notice through his earlier campaigns opposing such concepts as universal medicare and baby bonuses - concepts that Brown thinks are "socialistic." He has a horror that Canada may become another Sweden. "All the warnings are there," he says.

Brown also can lay claim to a degree of notoriety, following the introduction of his Turn-in-a-Pusher (TIP) campaign two years ago. Under TIP, a group of London, Ont., businessmen agreed to pay anonymous informers who would name alleged drug pushers. The program was widely condemned on the grounds that innocent people would be named by informers looking for easy money. "All the bleeding hearts came out of the woodwork then," Brown says. "We were accused of setting up some Nazi type of plan." TIP, however, continues, with a few further phone calls each week. Brown's Citizens' Coalition isn't a typical community action group. The letter that was initially circulated to get the group going was endorsed by John V. Clyne, former chairman of MacMillan Bloedel Ltd.; Herbert Lank, former chairman, Dupont of Canada Ltd.; and Joseph Jeffery, chairman, London Life Insurance Co. Strangely enough, it was also endorsed by former Ontario Premier John Roberts and former Alberta Premier Ernest Manning - both of whom have contributed more than their share to government spending, says a Financial Post article.

PUT THOSE WATTS TO WORK... WISELY.

THIS FREE BOOKLET WILL HELP YOU GET THE MOST FROM THE LEAST.

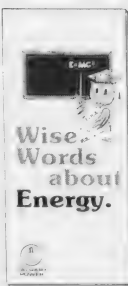

Calgary Power is strong on foresight. Because of our long-term planning, we foresee no "energy crisis" for Alberta. But we strongly feel that it's EVERYBODY'S responsibility not to waste energy. And, of course, prudent use of electricity SAVES YOU MONEY!

We've produced this concise little booklet, "Wise Words About Energy," to help you get the most use from the least watts. It's crammed with energy-saving tips on home appliances and lighting more efficiently... what to watch for when you're building a house... how to make every energy penny count.

The booklet is free. Just drop a line to:

Catch the Greased Pig!

Following Sunday afternoon's preliminary trials at Lions Park, three winners in the Knights Greased Pig contest emerged but their position is open to challenge by all interested parties at the Rodeo Grounds Saturday and Sunday. Finalists will receive \$25, \$15 and \$10 respectively.

Dave Campbell, Kinsmen Parade Chairman decided to throw on some coveralls on the spur of the moment, and get into the action Sunday and quite surprised himself when he caught the greasy pig in five seconds and held it for 55 seconds, which proved the best record of the day. Wayne Benson

caught his pig in 12 seconds and held it for 48, to gain second place, while Neil Stewart caught one in 15 and held it for 45 seconds for third place.

This was by no means a male domain, however, and Rodeo princess turned in a very creditable performance catching her pig in 18 seconds and holding it for 42. Several young women got into the act and more may be out again this weekend at the Rodeo Grounds, to accept the challenge.

The Knights of Columbus event for Rodeo Week is in support of their Handibus for transporting handicapped children and each chall-

enger pays one dollar for one minute's time. Somebody will have to catch the pig in less than five seconds and hold it for the remaining seconds in the minute, to beat Dave Campbell's record.

I've handled pigs before, said chairman Eric Bokenfohr, but never like that. He and Al Alain and George Shaver had their troubles loading up the slippery pigs after Sunday's contest.

Lions ready for Rodeo Breakfast

It took a little scrounging around but Lion Jim Murray has collected up 1,300 pounds of sausage and the Rodeo breakfast, supported by the breakfast, supported by St. Albert businessmen will be served up by the Lions and the Lady Lions on Saturday morning at Lions Park. Everybody is prepared for Rodeo Rainmaker and the big breakfast is on, come what may from the skies. The Lions will be ready to go at 7:30, although their act is billed at 8 o'clock on the Kinsmen Rodeo program, so early risers need not go hungry Saturday. Those who like to sleep in are reminded to get their breakfast before the parade, which goes at 10 o'clock. Some added good news - the pancakes and sausages are free. The Lions are expecting a big crowd - up to 3,000 might be out if the weather is good, said Lion Jim.

Dropping in for the Rodeo with a difference

Many people are expected to attend the Rodeo celebrations in St. Albert and three former residents of the town will be dropping in - from 5,500 feet for the opening. The trio are members of

the Edmonton Parachute Club who have a combined total of 1,500 jumps to their favour.

Rolly Burton and his brother Milt, formerly of 37 Mill Drive and John Bauman formerly of 29 Grandora Crescent have been sky-diving for a number of years. Rolly is one of the original members of the Edmonton Parachute Club and is employed by AGT. Milt is a business administration student at NAIT while John Bauman is assistant director of the Volunteer Action Centre. A fourth member of the team is John Carson who is also a senior member of the Parachute Club.

The jumpers will freefall for 20 seconds after exciting and will reach a speed in

excess of 120 miles per hour. The jumpers will be carrying smoke grenades to facilitate easy viewing and they should be visible from most points of town.

The landing of the parachutists will only be seen by those in the Rodeo grounds.

PARACHUTE ERROR

A parachute drop is scheduled for the ceremonies opening the Kinsmen's Rodeo. This will be the only parachute drop during this year's Rainmaker Rodeo events. An error in both the Gazette and the Kinsmen Rodeo Program announced that parachute drops are scheduled for every rodeo performance but there is only the one opportunity to view the parachutists 'dropping in' at 2

p.m. during the official opening. Check Page 10

Rejoice Together

Mr. Bob Hudson, deputy mayor, Mr. Barry Findlater, principal of Lorne Akins Junior High and Mr. Hugh Campbell, presented students from Sir Alexander Gault School, Lennoxville, Quebec, with passes to the swimming pool, information about Alberta, and plaques in commemoration of their visit to St. Albert at the reception held at Lorne Akins School on June 5.

Knights win trophy

The St. Albert Council, Woods Memorial Trophy for Knights of Columbus, has the 1973-74 year, for outbeen awarded the Gerry standing achievement within

the Edmonton area.

The project of the council to supply transportation for handicapped children by way of a handibus was the one recognized for the coveted award. It began back in 1967 under the initiation of Mr. Paul Shellemy, who has continuously chaired the program. The first bus handled 20 passengers, and when it gave out last year a new 36 passenger handibus was purchased by the Knights. A festival held in the arena did not work out as well as

was hoped but payments were made as soon as possible and this year the Knights have arranged an earlier beer-fest which will support the project. It will also be held in St. Albert Arena, on July 12 and 13. Proceeds from the Grey Cup pool also go towards the handibus.

On hand for the trophy presentation in the KC's club rooms in Edmonton, June 5, were Grand Knight Al Alain, Grand Knight elect, Don England and District Deputy, Roger Montpetit.

Al Alain, left, Grand Knight of the St. Albert Council, is congratulated on behalf of his Council by Pat McKerrall, president of the Edmonton Chapter of the Knights of Columbus, who presents the Gerry Woods Memorial Trophy, awarded to the council for its handibus project in the 1973-74 year.

Quebec students had great time in St. Albert

A group of students from Sir Alexander Gault School in Lennoxville, Quebec, arrived in St. Albert on June 5 poised for a seven day visit to 'sunny Alberta.' The students from Quebec are participating in a student exchange with the students from Lorne Akins Junior High School who journeyed to Quebec last month. This exchange is the only one to involve students from St. Albert this year.

Lorne Akins School was the site for the preparatory meeting and the students were greeted there by Mr. Hugh Campbell, one of the St. Albert supervisors, who gave all the students involved a brief outline of the week's activities. Mr. Findlater, principal of Lorne Akins, addressed the group and passed along his best wishes. Mr. Bob Hudson, deputy ma-

yor, delivered a short speech in French, wishing the visitors an enjoyable stay. Mr. Hudson, Mr. Findlater, and Mr. Campbell then presented each student with a commemorative plaque, some information about Alberta, and (best of all) a pass to the swimming pool in St. Albert.

The itinerary for the week included a track meet on Thursday, June 6, followed by a free evening in St. Albert. The following day included visits to the Provincial Museum and Archives, lunch at Emily Murphy Park, a tour of the Provincial Legislature, and a shopping spree in Edmonton.

On Saturday, June 8, everyone travelled to Jasper where they had the opportunity to visit Maligne Canyon and Athabasca Falls. On the way back to St. Albert the group stopped for a warm swim in Miette Hot Springs.

The final evening in St. Albert was spent in Lion's Park where a barbecue was held in honour of the occa-

sion. Picture taking was the order of the day and a special visit from Const. Maynard of the RCMP added the color of the RCMP parade dress to many of the pictures taken.

It was off to the airport on Tuesday, June 11, and the students from Lennoxville bid farewell to Alberta. "Everyone had a great time," stated Mr. Campbell.

A's still undefeated - Reed going strong

St. Albert A's remain undefeated after eight starts in the Sturgeon Fastball League, winning both games last week. Tom Reed was the winning pitcher in both contests as the A's won 15-3 last Wednesday over Enoch and a 17-0 shutout Monday over Spruce Grove Juniors.

Stony Plain Playboys held onto second place in the standings, winning both their games rather easily. Last Wednesday they handed Fairhaven Falcons a 14-2 defeat and Monday took St. Albert Inn by a 14-6 score. Gerald McGinn was the winning pitcher in that game and was helped out at the plate by Dennis Zut's home-run.

Onoway pulled an upset with a close 13-11 win over Calahoo Monday night as Lawrence Truckey and his son Clayton both had home-runs. Jim Schulte was the winning pitcher. Calahoo won last Wednesday's game with a 4-3 score over St. Albert Inn.

Spruce Grove Panthers won both games to move into third place with a 15-3 win over Stony Plain Kings and a 16-2 win over Fairhaven Falcons. The Panthers play the Queen and her Maids this Thursday night in Spruce Grove with game time being 7 p.m.

All teams are asked to attend the general meeting in Calahoo this Thursday and all teams are asked to bring in their players lists. League standings to date are as follows:

	W	L	P
St. Albert A's	8	0	16
Stony Plain Playboys	7	1	14
Spruce Grove Panthers	6	2	12
Enoch	5	3	10
Calahoo Chiefs	4	3	8
Onoway	4	4	8
St. Albert Inn Fairhaven	3	5	6
Falcons	2	6	4
Stony Plain Kings	0	8	0
Spruce Grove Juniors	0	8	0

Boys baseball school features top instructors

The Edmonton Tigers Baseball Club of the Alberta Major Baseball League will hold a baseball school for boys 6 to 18 years of age at Renfrew Park in Edmonton, starting July 2 and ending

July 19. There will be three weekly sessions, with the first running from July 2 to 5, July 8 to 12 and the last July 15 to 19.

The first session is only four days and will cost \$12., with the last two being five days each at a cost of \$15 per session.

Each daily workout will be from 9 a.m. to 12 noon and from 1 to 3 p.m. in the afternoon.

Boys are asked to bring only their gloves, shoes, lunch and a lot of hustle and desire.

Mr. Ron Watamaniuk, coach of the Tigers, is a St. Albert resident and an excellent infielder on that team. Ron was a member of Canada's national team and travelled with them to Italy last year. He will be in charge of registration and interested parents may call him at 459-8514.

Mr. Watamaniuk has lined up four top instructors led by Randy Rasmussen of Long Beach, California. Rasmussen is well qualified, being an excellent ball player and the assistant coach of Long Beach State University in California. His three assistants, Terry Teale, Dave Dumdeck and Dennis Lopez, are also Long Beach students and valuable members of the Tigers baseball team.

For those parents and fans who would like to see these boys in action, here is the home schedule of the Tigers:

June 13 - Barrhead; June 15 - Calgary Giants; June 16 - Calgary Giants; June 25 - Red Deer; June 26 - Edmonton Blockers; July 2 - Edmonton Blockers; July 13 - Calgary Jinnies; July 14 - Calgary Jinnies; July 18, 23 and 31 - Barrhead; August 1 - Red Deer; August 6 Edmonton Blockers.

Paul Kane's Val Green is seen running second in the Junior Girls 800 metre event at the provincial track and field meet at Foothills Park, Calgary.

Sailfish win opening meet

The St. Albert Sailfish Swim Club swam away with top honours on Sunday when it hosted the opening swim meet of the 1974 season to which clubs from Fort Saskatchewan and Leduc were invited.

The meet, which was held in conjunction with the beginning of Rodeo 113 week celebrating the town's 113th birthday was opened by local MLA Ernie Jamison who paid tribute to the club, and also to the local Kinsmen organization who run the rodeo and do many other good works in our town.

As an opener a special invitational relay was held with teams from the Kinsmen, Kinettes, Lions, and Knights of Columbus and the Commonwealth Games Committee at the Percy Page Centre. These talented teams presented a thrilling spectacle and this year the Kinsmen team came out ahead whilst the Lions Club took the trophy for being the best dressed team.

After that event the inter club meet got underway and as all events were relays it ensured maximum participation of all swimmers who were present. Spectators were presented with some exciting races and it appears that the Sailfish are headed for another successful year.

Jim Hole of Paul Kane High turned in a fine throw of 150 feet to win first place in the Senior boys discus event at the provincial track and field meet held by the Alberta Schools Athletic Association in Calgary.

Paul Kane scores well in Provincial track

On Saturday, June 8, six members of Paul Kane High School track and field team successfully competed in the annual Alberta Schools Athletic Association Track and Field Meet held at Foothills Park in Calgary. These athletes qualified to compete in the provincial competitions by finishing either first or second at the Northern Alberta Regional Meet held June 1, 1974.

At the provincial meet in Calgary, Paul Kane athletes finished the day with one first, two thirds and a fourth place finish. The most outstanding performance of the day was Jim Hole's first place finish in senior boys discus with a throw of 152 feet. Helen Anderson proved to be the best senior girl

sprinter north of Calgary as she finished third in both the 100 metre and the 200 metre. Calgary runners finished first and second. In her first provincial track competition, coach Fred Rslar felt Val Green showed promise as she ran to a fourth place finish in the junior girls 800 metre. Edmonton and Calgary runners again took the top three places. Honorable mention should go to Kevin McKendry, Jay Henituk and Ken Webb who also represented Paul Kane at the provincial competition.

Final provincial standings are as follows: Calgary 325; Edmonton 238; Northern Alberta 133.5 and Southern Alberta 51.5

Saints lose to Camrose in tourney semifinals

St. Albert Willowbrook Saints won their opening game of the eight-team Fort Saskatchewan tournament Saturday with a fine 5-4 win over the Edmonton Cardinals, but lost out 10-5 to Camrose Cubs in the semifinals on Sunday.

Saturday's game saw the Saints take a 2-0 first inning lead when lead-off batter Adrian Boddez walked and advanced to second on a sacrifice by Joe Fletcher. Coach Art Rechlo then slammed a triple scoring Boddez and Rechlo came home when Doug Edwards flew out to right field.

Cardinals tied the game in the second on consecutive singles by Tony Andreas and Art Britton, an infield out by Dave Kryskow and a two-run scoring single by Randy Pospishil.

Saints took a 3-2 fourth inning lead when Doug Edwards walked, stole second and came home on Hank Reinbold's infield hit that was fumbled by the Cardinal short-stop.

Cardinals tied the score in the top of the fifth when

lead off batter Gordon Johnson singled and came home on consecutive singles by Bob Leman and Jay Hubble after two were out.

Saints, in the bottom of the fifth took a two-run lead on singles by Joe Fletcher and Art Rechlo and a walk to Doug Edwards loaded the bases. Rightfielder Keith Burrell then singled Rechlo and Fletcher home for the two runs and a 5-3 lead.

Cardinals got one run back in the sixth on a homerun to lead-off batter Art Britton. Cardinals managed to get two other runners on base in the sixth, but winning pitcher Dennis Fitzgerald struck out Ed Wagner to end the inning.

Both clubs managed to get runners on in the last inning (seventh) but both were unable to score and St. Albert walked off with a 5-4 win.

In the semi-final game on Sunday, Camrose took a 3-0 second inning lead on a three run homer by centrefielder Swanson. Saints tied the score in the third on five base hits. Adrian Boddez led off the inning with a single and advanced to second on a sacrifice by shortstop Joe Fletcher. Art Rechlo singled in Boddez and was out trying to stretch his single into a double. Doug Edwards and Nestor Soroby both singled

and scored on Henry Reinbold's single.

Camrose came back with three more runs in the fifth inning on four base hits. Both clubs picked up single runs in the sixth inning with St. Albert's coming from a homerun by Keith Burrell. Camrose led at this point 7-4 and added another run in the seventh and two more in the eighth to round out their scoring. Saints managed to score their final run in the ninth inning.

Losing pitcher Gary Greening gave up 10 hits while striking out seven Camrose batters. Winning pitcher Nelson gave up 12 St. Albert hits with Boddez, Rechlo and Soroby getting two apiece. Nelson also chalked up 12 strike-outs.

Saints are entered in a tournament this weekend in Drayton Valley and will go against Camrose Cubs with the game starting at 5:30 p.m. Saturday.

Next league game in the Sunburst Baseball League, goes tonight when the Blue Willow Jrs. will be in St. Albert for a game starting at 6:30. Saints lost a close 2-1 decision to Blue Willow in their first meeting of the year. Saints record in league play is now one win and four losses. The Leduc Oilers will be in St. Albert for a game next Monday, June 17.

Calahoo Chiefs take 2nd at Lac La Biche event

Calahoo Chiefs of the Sturgeon Mens Fastball League came up big (and lucky) in the Molson sponsored 12 team Lac La Biche Fastball tournament, last weekend. Calahoo lost the final game 7-3 to Fort MacMurray to take home second place money of \$275.

Chiefs and St. Albert A's, another Sturgeon team, lost their opening games of the tournament and dropped into B division. Calahoo lost 4-3 to Vegreville and the A's lost to Lac La Biche.

"Now the luck enters." Shortly after the 12 teams had completed their games Saturday, rain fell and delayed Sunday's starting times. Tournament officials decided to re-schedule the draw by allowing only two of

the remaining six B teams to complete the tournament along with the six A event winners. Calahoo was one of the two lucky winners while St. Albert A's lost out and were eliminated from the tournament.

Dick Bird and Gary Rix two of the A's top pitchers, did not play in the A's first game and were therefore eligible to play for Calahoo. Both played a big part in helping Calahoo through the finals. Chiefs won their first game Sunday with a 6-5 win over Cold Lake CFB, with Bird coming in to relieve Rix in the fourth inning and preserve the win for Calahoo.

In the semi-final game Bird went all the way in a 7-1 victory over host Lac

La Biche. In the final game Calahoo fell behind 4-1 in the first inning to Fort MacMurray and never could get back in the game. Bird started on the mound and was replaced by Rix in the second. Rix allowed two more runs in the third and was relieved by Artie Stevenson. Stevenson held Fort MacMurray to only one run in the remaining four innings but his team-mates could only score three times for a 7-3 loss.

Lac La Biche has been good to the Chiefs as last year Calahoo took second place money in the Annual Pow Wow Days tournament.

Sturgeon ladies golf news

Tournament time has rolled around and nine lady golfers took in the Lancaster Park Tournament last Saturday.

Prize winners were: Flora Burry - 2nd low net - 1st flight; Anne Frechette - 2nd low gross - 1st flight; Mary Barnes - 1st low net - 2nd flight; Ev Grant - 3rd low gross - 3rd flight; least putts - Bernice Cook; hidden hole - Louise Griffith; hidden hole - Ev Grant; most honest golfer - Louise Griffith.

Eight members are entered in the City Ladies Tournament next week which will be played at the Highlands Golf Course. Results will be published later.

Some of the ladies plan on taking part in the Leduc Devon and Vegreville tournaments.

Thirty-eight members turned out to golf this Tuesday. Results of competitions will be announced next week.

The Sturgeon ladies are making plans for a tournament, possibly in July. Ladies Days are Tuesday, 9 a.m. and Business Ladies at 6 p.m.

Baseball umpires workshop to be held in St. Albert

The Department of Culture, Youth and Recreation and the Baseball Umpires Association of Alberta will hold a two-day umpires workshop and clinic in St. Albert, June 22 and 23. The purpose of the clinic is to provide the latest techniques and rule changes as well as a "on the diamond" session with two teams in action at the Mission diamond.

The two day clinic will be under the direction of Mr. Gordon Sinclair, Umpire-in-Chief of Alberta, along with three of the top umpires in Alberta, in the person of Mr. Joe Arisman, Mr. Gordon Bligh and Mr. Mike Gavenchuck. Mr. Arisman is the Umpire-in-Chief of the Alberta Major Baseball League, head umpire of the annual Lacombe Baseball tournament and a top notch umpire in the Edmonton area. Both Arisman and Sinclair are residents of St. Albert.

Mr. Bligh is the president of the eight-team Sunburst Baseball League and for many years has been a well respected umpire. Mr. Gavenchuck is head of the umpires in the Sunburst League and a well known arbitrator in the Edmonton area.

The Department of Culture, Youth and Recreation will subsidize up to 20 candidates at \$12 per day. In addition all registered candidates living outside a 100 mile radius of St. Albert will receive .04¢ per mile for travelling. Rule books and other material will be available free of cost as is the complete clinic.

Interested applicants are asked to contact Mr. Sinclair at 459-8918 or Mr. Garry Milne of the Department of Culture, Youth and Recreation at 429-6621. Let's all umpires get out and support this excellent program.

Morinville finishes 2nd in Fort ball tournament

Morinville Manufacturer's, under the sponsorship of Craig's Manufacturing, complete with new uniforms lost an exciting 5-4 game to Camrose Cubs in the final match of the eight-team Fort Saskatchewan tournament last weekend.

Morinville, behind the strong pitching of lefthander Bud Pyluk, scored an easy 15-1 win over Lamont in their opening game. Other first-round games saw Dennis Fitzgerald pitch the St. Albert Willowbrook Saints to a 5-4 win over the Edmonton Cardinals, while Camrose took Blue Willow Jrs. 6-1. Bon Accord scored a close 2-1 win over host Fort Saskatchewan.

In the semi-finals Sunday, Camrose doubled the score 10-5 over St. Albert to reach

FRANK COMEAU

the final, while Morinville blasted Bon Accord 16-6 to advance to the finals. In that game, Frank Comeau smashed

a three run homer to help winning pitcher Norman Kootenay to the win over Bon Accord.

In the final game against Camrose, the Cubs were a little too cocky and found themselves having to score a ninth inning run to squeak out a 5-4 win. The game was by far the best of the tournament.

Camrose jumped into a two-run first inning lead, but suddenly found themselves trailing 3-2 after the third. In that inning, George St. Laurent, coach of Morinville, hit a homerun to make it 2-1 and a two run double by Frank Comeau gave Morinville a 3-2 lead.

Camrose came back with two runs in the fifth for a 4-3 lead and held it going into the ninth inning. Comeau walked with two away and was replaced on first base with speedy pinch-runner Eddy St. Laurent. St. Laurent then proceeded to steal second and worked his way to third as the Camrose pitcher tried to pick him off at second base. St. Laurent was the tying run at third base for Morinville, if they could get him in. With a two-strike and one ball count on pinch hitter Norm Houle, the Camrose pitcher threw a fast one, low and inside that eluded his catcher and St. Laurent raced home to tie the score 4-4.

Camrose led off their last turn at bat with a triple and scored on a bloop single into right field, to win the game 5-4.

Camrose, along with the Cardinals, St. Albert, Blue Willow and Fort Saskatchewan play in a tough Sunburst Baseball League, while Morinville, Lamont and Bon Accord are members of the North Central Baseball League.

Minor League Baseball

The 1974 St. Albert minor league baseball season is rapidly coming to an end with regular league schedules finishing June 13 for the Beaver and Bantam leagues and June 17 for the Mosquito divisions.

The Mosquito and B leagues have had most of their games played but the Beaver and Bantam leagues have a lot of rain-out games to be caught up.

League rules state that no points will be given for games not played and all coaches are asked to try and play these games as soon as possible. It would not be fair to the boys playing to miss out on the playoffs just because the coaches couldn't get together and play the games.

Playoff teams have not been determined to date but should be for next week's Gazette. Standings as of games reported to Mr. Schuchard on Monday, June 10 are as follows:

Orioles	5	4	.556	BEAVER:			
Mustangs	5	5	.500		W	L	PER.
Canucks	2	7	.223	Glants	6	1	.857
Lions	1	9	.100	Braves	4	1	.800
				Pirates	4	1	.800
MOSQUITO A:				Mets	2	3	.400
	W	L	PER.	Flyers	2	4	.334
Totems	7	2	.778	Dodgers	1	3	.250
Phillies	6	3	.667	Angels	0	5	.000
Mounties	3	3	.500				
Appollos	3	5	.375	BANTAMS:			
Oilers	1	7	.125		W	L	PER.
				Cubs	5	0	1.000
				Twins	1	3	.250
				Cardinals	1	4	.200

Daze tournament

TOURNEY JUNE 22 - 23

The Morinville Manufacturer's Baseball Club will be holding a eight-team baseball tournament in conjunction with the annual Morinville Frontier Daze celebrations. Spokesman Frank Volmer has already lined up teams from Vimy, Legal, Bon Accord, Lamont, Fort

Saskatchewan, Alexander and Morinville to compete. Arrangements are underway for the eighth and final team.

The tournament will be a two-day affair with the opening games scheduled for Saturday and the finals starting at noon on Sunday.

Next week's Gazette will have the draw and times.

Tennis juniors win 1st interclub match

The annual junior opening tournament was held on Saturday, May 25 at the Mission Courts. Play was continuous from one o'clock and all competitors had a busy afternoon of tennis. The girls winner was Cassy Kemp and Steven Kirk captured the boys event.

Play in the junior interclub started on Monday, June 3 with the local team competing at the Derrick Club. St. Albert came away winners of a 12 to 0 sweep and congratulations are extended to players Valerie Green, Bill Keech, Bob Gil-

berson, Steven Kirk and Cassy and Phil Kemp. The next match is against Garneau to be played here next week and any juniors wishing to play are asked to call Al Hoge at 454-4168.

In senior interclub play last week the A team (Dave Kirk, Roman Mureika, Judy Wood and Shannon Lindenberg) were defeated 7-1, while the two St. Albert B teams played each other to a 4-4 tie. (B1 - Tom and Kay Foran, Carl Lindenberg and Angela Miller. B2 - Wayne Boyd and Mel Boekmer, Anne Kirk and Joan Gates).

The spring barbecue for tennis club members will be held Friday night - all members (new and old) welcome. Phone Donna Jackson for further information (459-7420).

ST. ALBERT STURGEON GAZETTE, WEDNESDAY, JUNE 1, 1974

Mexican mission could mean millions to cattle industry

What could develop into one of the largest markets ever experienced in the history of the Canadian cattle industry is on the books for Alberta.

Agricultural Minister, the Hon. Hugh Horner, has announced a Mexican trade mission, consisting of government officials and private businessmen, will be visiting Alberta about the middle of June to discuss Mexico's immediate cattle needs and a long-term program.

This program envisages a joint dairy and beef cattle breeding project that would be used to supply the cattle industries of countries in both Central and South America. If the project materializes, as seems likely, it will mean millions of dollars to Alberta's cattle industry.

Among the cattle that the Mexicans are interested in are Holsteins, Herefords, Brown Swiss and cross-breeds from British European breeds. They intend to cross the Alberta cattle with their own Zebu-type cattle. "The idea here," says Dr. Horner, "is to get offspring that have the high production capability of our cattle combined with the natural resistance of the Mexican cattle to insects, diseases and climatic conditions that are found in that country."

To ensure that Mexico's

own cattle requirements are met and to facilitate the development of a joint cattle breeding program, Dr. Horner has asked the recently established Canadian livestock Import-Export Company, under the direction of Dr. Fred Day, who will be assisted by other prominent livestock personnel on the company's board, to participate in the discussions with Mexico. The company has also been asked to alert dairy and beef cattle breeders, dealers and agents to the fact that a substantial number of cattle are almost certainly going to be needed by the Mexican buyers.

To determine the locations of available cattle the Canadian Livestock-Import Export Company, in con-

junction with the Alberta Export Agency and the Alberta Department of Agriculture, plans, in the near future, to set up public meetings for cattlemen.

The Mexican cattle mission, with all its implications for Alberta cattlemen, is a direct result of Dr. Horner's visit to that country earlier this spring. He, and a number of Alberta cattlemen and semen unit operators who accompanied him, held discussions with Mexican governmental officials and private interests on the possibilities of expanding cattle and semen markets in Mexico and in other Latin American countries. It was during this visit that he invited the Mexicans to come to Alberta.

St. John volunteer answers accident in evening gown

At 3:15 a.m. on Saturday, June 8, members of the St. John Ambulance Emergency Service were awakened by an emergency call from the RCMP. They were requested to attend the fatal accident that had occurred on Hwy. 26 at Bon Accord. Within three minutes Nigel Mansfield was at the scene followed shortly afterwards by Janice Mc-

Donald, Tom Brown and Mary-Jane Brown. The two wrecked cars were a terrible sight, but the four injured were soon taken care of with the limited equipment at hand, and sent to hospital. Underneath her white uniform jacket Mrs. Brown was still wearing her long pink evening gown, having earlier returned home from a dinner party in Edmonton. This illustrates the promptness with which the Emergency Service answers their calls, no matter what time of day it is, there is no time to change clothes.

Nigel Mansfield, superintendent of the service, said, that at a time such as this, they are happy to be called out, but that as yet he is unable to acquire because of the lack of a suitable vehicle for storage, and transportation. Equipment such as band operated hydraulic jacking devices, fire extinguishers, resuscitation equipment and a host of other articles that are essential to equip each member with. An ambulance would be a definite asset also, which could serve as a rescue vehicle and ambulance.

Mr. Mansfield added that an appeal be made to the residents of Bon Accord, and surrounding districts for donations of money, either a vehicle or cash for converting into a rescue vehicle. As soon as this has been done, the service will be able to move forward to the service of the community, contact to be made with the St. John Ambulance Association.

These young jazz dancers, with a number of hit performances to their credit, have added two to their number and will be a popular attraction at Morinville and District Frontier Daze on June 21 and 23. From left are Jan Gibeau, Colette Gibeau, Rene Knullar, Michelle Carignan and Cathy Lorie. Completing the group are Linda Logan and Joanne Cormier under a new billing as "Frontier Dollies."

Frontier Dollies ready

Morinville's "Teen Jazz Class" who have been studying under the instruction of Mrs. Marion Nicholson, dance instructor from Bon Accord, has performed several times in Morinville and area, and at Rec. Fest '74, and were a terrific hit with the audiences.

The group has several special jazz routines which always win raves, and have

lately been practicing something new - "Kickline Routines."

This is all in preparation for many performances this summer throughout the area. With the addition of two other young girls, Linda Logan and Joanne Cormier, there is now a completely new group called "THE FRONTIER DOLLIES."

Outfitted in their new dance-hall costumes The

Frontier Dollies will be performing all during Frontier Daze, and have numerous routines which they are ready to show the crowds.

Manager for The Frontier Dollies, Claudette Turgeon of Morinville, who incidentally is a two year veteran from the former Gold Rush Kickers, has announced that her girls will be performing wherever and whenever the Frontier Daze float attends a parade this summer. Included in the itinerary are St. Albert parade, Legal parade, Klondike parade and more.

So if you want to see some very energetic and active young dancers that are "in the mood," come on out to Morinville's Frontier Daze June 22 and 23.

Attention farmers - Crop compensation

By Wally Klatt

District Agriculturalist

All farmers who have applied for the crop compensation program and who have had crops in threat to the spring are to complete the appropriate form, available from the District Agriculturalist as follows:

The total acres that was left for spring threshing must be indicated - i.e. if 100 acres were left then

was the total acres and 50 acres were non-salt capable then the form must indicate 100 acres threshed showing the yield per acre and the price obtained accordingly. The form must indicate 50 acres not threshed and the reasons for it.

All completed forms should be returned to the District Agriculturalist as soon as possible.

Uniform convention to hear planner

The Albert Government's Provincial Planning Director, Mr. Paul Dault, is guest speaker for the Uniform Program Convention on June 16 at the Community Centre, Stony Plain, starting at 10 A.M.

Mr. Dault will speak on the subject of urban expansion, which is of particular interest to many Uniform members in the Region 5 area. He will also visit Edmonton, as Provincial Director Mr. Dault is responsible for the government's overall land development and planning policies.

Uniform vice-president, Mr. E. Nelson and a host of Uniform President Mrs. E. Peterson will also speak at the convention. Tickets will

be served and Uniform members are invited to bring non-member friends and neighbours.

Moms, dads, daughters enjoy casserole supper

By Lucienne Montpetit

The mother, daughter and father "casserole" supper for the brownies and guides was held on June 4 at the Community Hall.

The evening began by sing-

Abortion Petition

Parliament's most basic duties is to protect innocent human life. Yet our laws permit the widespread practice of abortion in Canada.

A committee has been set up to start a petition, which is national in scope, to obtain one million signatures to present to parliament with the request that they tighten the law with respect to abortion or bring in new legislation which will protect all unborn children, guaranteeing to them the right to be born and also to urge parliament to show leadership in fostering a life-sustaining society. The action is being supported by the Voice of the Unborn Association of Alberta, P. O. Box 3177, Sherwood Park, Alberta.

ing O'Canada followed by grace said by Father Bissonnette.

Seated at the head table was Father R. Bissonnette pastor, camp advisor Mrs. Evelyn Fraser from Gibbons, commissioner, Mrs. Jeanne Maurier and husband Leo, Captain Mrs. Lucille Dube, husband Marcel, Lieutenant Mrs. Lorraine Kremer, Brown Owl Mrs. Annette Bruce and husband Gordon, Pauline de Champlain helper, L.A. President Mrs. Lucienne Montpetit, mistress of ceremonies, also their daughters, Janice and Natalie Bruce; Michelle Kremer, Sharon, Paulette, Diane, and Denise Dube and Louise Montpetit.

The girls introduced themselves and their parents. The toast to the Queen was proposed by Michelle Kremer, Janice Bruce proposed the toast to the parents.

With well chosen words Father Bissonnette explained the meaning and the honor of being a brownie and guide. Mrs. Fraser was then introduced by Mrs. Maurier.

Mrs. Fraser presented Mrs. Maurier with her

camping license. Both guests were presented with souvenirs.

The L.A. presented tokens of appreciation to Mrs. J. Maurier, Mrs. Bruce, Mrs. Dube, Mrs. Kremer, Mrs. Gregoire, Mrs. Cecile de Champlain and Mrs. Sharon Rempel for helping Brown Owl, Mrs. Eva Theberge and Mrs. Luella Champagne who helped prepare and serve the meal.

Cheryl Royan proudly presented a gift on behalf of the brownies to the brown owl. Patrol leaders Sharon Dube and Diane Royan presented their captain and lieutenant with a souvenir on behalf of the guides.

The fly-up and badge ceremonies was followed by the raffle.

The social committee Mrs. Jeanne Maurier, Mrs. Fernande Letourneau and Mrs. Agnes Montpetit are to be commended for organizing the fund raising activities. The winner of the doll dressed with \$50 was won by Lois A. Mills from Alcomdale, Marty Chan from Morinville won the \$30 food hamper and P. Buckman from Edmonton won the lamp.

Special thanks to all those who helped in any way making the raffle the success that it was.

The Local Association wishes to thank the devoted leaders and hard working commissioners for their job well done. Thanks to Mrs. Kremer who is leaving and to Mrs. Bruce who has resigned as brown owl. Your work and efforts were greatly appreciated.

Camp completes year for Legal brownies

The 2nd Legal Brownie Pack wrapped up their year with a weekend camp on May 24-25-26. The 18 girls and staff stayed at the Toadstool Inn for two days and nights. The Inn offered such things as meals to delight everyone and snacks galore. Entertainment such as a scavenger hunt, handicrafts, evening campfire with singing, outdoor adventure etc.

The Sprites, Little People Gnomes and Leprechauns were given the "Sleepy Hollow" room where they had lots of fun and kept late hours.

In the "junior staff's den" were the "Big Sisters" otherwise known as, Sharon Dube, Natalie Bruce, Diane Royan. These girls certainly practised their guide laws: A Guide is useful and helps others; A Guide is a friend and sister to every Guide (and Brownie).

The "Owl's Den" accommodated: Sleepy Owl - Mrs. Elsie Royan, Happy Owl - Mrs. Marie Gregoire, Brown Owl - Mrs. Annette Bruce, Snowy Owl - Mrs. Gaetane Champagne; Grey Owl - Mrs. Cecile de Champlain, White Owl - Mrs. Val St. Martin.

Many thanks to our "Chief Chef's" - Lucienne Montpetit, Vern Van de Walle, Margo Montpetit, Irene Chamberland, Gaetane Champagne, Irene Maurier, Agnes Montpetit and a special thanks to "fathers" - Maurice Montpetit, who helped his wife cook breakfast for 25 on Saturday morning, and Gordon Bruce who took care of firewood and fires, acted

2nd Legal Brownie Pack finished their year with a weekend camp at Toadstool Inn.

as general handyman in many areas and his patience and understanding when his wife forgot to buy groceries for his meals on the weekend.

Thanks also to the recreation board for the use of the recreation centre and to the Brownie mothers for their donations.

THANK YOU

Our sudden loss, the death of my beloved son, and our brother, Denis Parent has left an emptiness in our hearts that can never be wholly filled. Sincere thanks for the many kind words and acts of sympathy from our friends and relatives have helped immeasurably.

Mrs. Veronique Parent,
Robert, Gaston and families.

RUSTY WATER PROBLEMS SOLVED

Mr. and Mrs. Dale James have been residents of the Edmonton - St. Albert area for the past four years. (Children, Darren, Crystal and Rochelle were unavailable for picture).

When Mr. and Mrs. James moved into their new home and found that their Rusty Water was staining their new sinks, bathtubs and fixtures, they decided to have a Big Iron Drilling Automatic Iron Filter installed in their home.

Mr. James stated: The Iron Filter improved our water condition 100%.

Mrs. James commented on how there were no more terrible yellow streaks on her clothes and that she no longer had to spend hours cleaning rust stains from her sinks, toilet and bathtub.

Both Mr. and Mrs. James recommended a Big Iron Water Conditioner to anyone having water problems. For further information call the People Who Know Water or mail this coupon to:

Report from Bon Accord

By Sadie Allen

The Bon Accord 1st Cub Pack went camping May 31 to June 2 at a lovely spot overlooking Lily Lake north of Bon Accord. After setting up camp Friday evening, cubs and parents enjoyed a wiener roast and a sing-song. Many thanks to Mr. Ken Metelch for bringing his guitar and helping out with the singing. A lot of talking and a very early rising Saturday morning made for a very short sleep. The boys were kept busy all day with hiking, games, inspection of tents, learning how to start camp fires and the favorite pastime - whittling. They made wood whistles that worked and some just enjoyed whittling on a stick. Casualties were limited to a few cut fingers. At the end of the day there was little complaint about going home.

There was plenty of wild life around for observation and after breaking camp on Sunday it was difficult to tell that anyone had been there. The mosquitoes and a bit of rain failed to dampen the spirits and everyone hated to go home. A sincere vote of thanks to cubmaster John Engman, Ken Fearnley and Bert Webster for the excellent leadership provided to the boys. The "mess" staff did a fine job of having meals ready on time. A thank you must go to the boys who made the camping experience a real pleasure. The Bon Accord cub pack would like to extend a sincere thank you to Mr. Walter Jeram for the use of his land. His generosity was certainly appreciated. Additional thank you's must go to all those who sent donations towards the camp: Bill Carleton for potatoes, Ray Kaplan for charcoal briquets, Woodwards, an \$8 voucher, Pepsi Cola for three cases of pop and Art Strawnson for straw bales and to the parents and friends who helped with the camp in a variety of ways.

Cubs will get underway again in September. Please watch for announcements. See you then!

A miscellaneous shower will be held in the B.A. Community Centre on Monday, June 17 at 8:30 p.m. in honor of Anne Laursen, whose marriage to Rick Milligan takes place on June 22. Please bring lunch.

The Board of Directors of the Bon Accord Agricultural Society will meet on June 18.

The midgeet baseball team are resplendent in natty new blue and gold uniforms, thanks to Don and Liz Grant of the Bon Accord Hotel. The boys are playing in the midgeet 1 league in Edmonton and are more than holding their own in games played.

The Howrtoe fly-up will be on Friday, June 28 at 2:30 p.m. at the Bon Accord Continental Park on Main St. This will involve all brownies, guides and parents.

The 2nd Bon Accord Girl

Guide Co. completed their First Aid course on June 4. Each girl earned the St. John Ambulance First Aid Crest and the Girl Guide First Aid Badge. The girls are Wendy Lewis, Lori Gorrings, Brenda Schiffs, Val Millwood, Karen Bjerke, Debbie McBride, Terri Campbell, Michelle Donoghue and Betty Kuskak.

Mr. and Mrs. Robert Morris, accompanied by Debbie Carruthers and Beth Lewis motored to Calgary on June 7 where district girls Jacque Morris, Sharon Draper and Jan Bourdon were taking part in the Provincial High School Track Meet. Jacque placed fifth in the junior discus; Sharon placed sixth in the 400 metre and fifth in the relay; Jan placed fourth in both the 100 metre and the long jump and third in the relay.

Mr. Jim Thompson accompanied by daughter Beverly recently completed a show circuit taking in the towns of Prince Albert, Regina and Weyburn, Saskatchewan. In all three shows

New arrival at Pelikan Kennels - Krak-O-Don of Duck-maw, son of all time Hi-Point male - AFTC, FTC, CNFTC, NFTC-River Oaks Corky - 10 month old male imported for stud services.

at both Prince Albert and Regina champion Pelican Lake Black Buck was judged Best of Breed and Best Canadian Breed. In three shows at Weyburn he was judged Best of Breed and Best Canadian Breed. In one, Buck's Yellow Bird of Pelikan, handled by Beverly throughout the tour was judged Best Canadian Bred puppy in all three shows held at each point, winners

female in three shows at Prince Albert, two at Regina and one at Weyburn. On May 5 Ch. Pelican Lake Black Buck placed third in Open field trials held at Edmonton, Starbuck's Country Gentlemen, 10 month old son of Buck placed third in the puppy class at the same show and repeated his third place win June 2 at a field trial at Stony Plain.

Bon Accord Council will increase to 5

The following highlights on recent council meetings and activities are presented for the information of residents.

ZONING BYLAW #66: Further to the public hearing held May 1, 1974, the suggested amendments are now being incorporated into the draft by the Edmonton Regional Planning Commission. Public comment on the Zoning Map will be invited prior to the third reading of this bylaw.

BYLAW #67: A bylaw of the Village of Bon Accord to increase the number on council from three to five, was given third and final reading at the meeting held May 21.

DEVELOPMENT: Permits for 36 dwelling units have been issued during the current year. Eight of these units are "duplex accommodation" in Rosengen - the remaining 28 being single family dwellings in the older part of the village.

Twelve Mario homes on the former ball diamond site are now well underway and starts were made on seven Muntel homes in this same location about a week ago. Basements are also being dug by Mario Homes on the seven lots comprising the former skating rink property.

ALLEN SUBDIVISION: Certain changes to the site plan as suggested by the Edmonton Regional Planning Commission, were agreed upon by council and Glacier Developments at a special meeting held May 23. It is understood that this project will get underway sometime in August.

PUBLIC WORKS: Main Street (50th) is sporting a new look. Cold mix surfacing was carried out during the weekend of June 1st, Gravel and oil appli-

tion to most other village streets will be made in the near future as a dust control measure.

RAILWAY CROSSING - 48th AVENUE: Plans to have this crossing improved and made public are progressing well. It is expected that this work will be completed before fall.

The street west of this crossing (52nd) will also be upgraded during the current season. **SIDEWALKS:** Private tenders for sidewalk extensions have been called for by W. J. Franc and Associates, village engineers, and it is expected that the contract for this work will be placed on or before the regular June meeting.

WASTE REMOVAL: Residents are advised that the waste disposal site two miles south of the school has now been officially closed. Garbage may be hauled to the municipal site at Cardiff. The matter of garbage collection will be discussed at the next meeting of council.

POLICE PROTECTION:

Council were prevailed to have Cpl. Lamb, Morinville Detachment, RCMP, present at the regular May meeting, when many items of mutual interest were discussed.

In reply to recent enquiries about speed limits within the village, it was confirmed that regulations under the Highway Traffic Act prevail, which means the limit is 30 m.p.h. except in school zones where it is 20 m.p.h.

Cpl. Lamb was reported that the crime rate in the district is very low. However, one or two recent incidents of vandalism were discussed for the information of all present. When residents require the assistance of the police they are asked to call the Morinville Detachment at 256-3520. If there is no answer particularly in the evening, dial "0" and ask for Zenith 50000. It was understood that patrolling in the area has been increased and that as a result a police car is possibly never more than 10 miles away.

Calahoo and District News

Namao News

By Liz McLeod

The community of Calahoo are holding open house on Sunday, June 23 from 2 to 5 p.m. for Mr. and Mrs. Fred Brown and Mr. and Mrs. Ferdinand Lischewski both Women's Institute and Goldenage members who are leaving this district. Everyone is welcome.

LORETTA LOYER FETED AT SHOWER

There still was water seeping into the church basement at Calahoo, but was mopped up again just before 32 friends and relatives gathered to honour Mrs. Clara Loyer's daughter, Loretta at a miscellaneous shower on Thursday, May 21 before her marriage to Barry Bowen.

Pink and white streamers and bells hung from the ceiling as well as on the front of the honoured table, where a beautiful basket arrangement of carnations, roses, fuchsia and foliage was placed for the bride to be, and two of her attendants, Lucy

Prodniansky and sister, Joyce were seated with Clara Loyer and Loretta's aunt Mrs. Mary Callihoo.

Seven hands of bingo were played with lucky recipients being - Dina Grope and Helen Radjo, Cecile Berry, Edna Bell (bride's cousin), Sharon Zacharias and Theresa Anderson, Helen Quintal, Ann Ross and Mrs. Mary Kolesar.

Opening of the gifts is always an exciting thing and the gifts were passed around for all to see and admire.

Lucy made a hat out of the bows for Loretta to model while she thanked everyone for coming and for the lovely gifts.

Many thanks go to Mrs. Frank Kolesar who made the arrangements with this correspondent assisting as well as Mrs. F. Brown, Mrs. F. Kramps, Mrs. J. Verbeek, Sr., Mrs. H. Boddez, Mrs. W. Christen, Mrs. M. Kerr, and Mrs. Emelia Schmermund.

Sharon Zacharias attended the guest book. It was nice to

visit with the late George Loyer's daughters and many more friends who one only sees at a gathering.

GOLDENAGERS MEET

There was a noticeable drop in the attendance of the last meeting of Calahoo's senior citizens at the Gazebo on May 30 when only 18 happy folks came out to enjoy togetherness, cards, bingo and lunch in the evening.

Due to many not wanting to drive at night there was considerable discussion and it was then decided that if they were to utilize all of their games and the lawn

bowling set, the afternoon meeting would be more appropriate.

In view of this and making it easier on the drivers they have decided to revert back to Wednesday, the second and fourth Wednesday afternoon and starting at 1:30 p.m. rather than 1 p.m. as it was before.

So now the next meeting of Calahoo's Goldenagers will be held on June 12 at 1:30 p.m. in the Gazebo.

This second and fourth Wednesday afternoon will be statutory all year round. Come join in the fun. Visitors are always welcome.

Pat Doerksen guest of Calahoo WI

By Liz McLeod

The 151st meeting of Calahoo Women's Institute was held at Mrs. F. Madeline Brown's home on May 28 with all 16 members and Mrs. D. Aline Roddick present.

Topic for the evening was nutrition, and Madeline Brown arranged to have our district home economist, Pat Doerksen come to explain the value of nutritious foods.

After the Creed, the minutes and the treasurer's report, there was a discussion as to how many could attend and help at the catering to the sale on June 1st.

The city tour date was set for June 20.

Treasurer Mrs. K. Dalheim informed the group that with the proceeds from that Easter bingo held for Crippled Children and for Cancer research there were cheques sent in the amount of \$39.77 to each of these organizations.

Mary Dalheim nominated to attend the Alberta Women's Institute convention held in Olds on June 3 through 6th.

A thank you card was received from Randy and Betty Quintal for the donation in this young couple's time of need.

Letter of thanks came from Doreen Rowe of the Cancer Research Foundation.

Roll call of "Tell a new health remedy you've heard about" brought out many interesting revelations such as a new fibreglass type of cast that is just one third the weight of the original.

*Use the cellophane from a cigarette package to stop a heel from blistering when wearing new shoes.

*Dandelion and bullrush root contain much more Vitamin C than an orange.

*B.C.G. vaccine versus - Leukemia. Tests showed only one out of 54,000 children died.

*For a bad burn use an ice cube till pain relaxes.

*Two teaspoons of liquid certo a day does wonders for crippling arthritis.

*If new shoes don't fit right, use a half cup of rubbing alcohol and wear them till they are dry.

*and we even got a cure for curious coyotes in teaching them to hate the taste of sheep.

Addie Thatcher brought the April door prize for Mary Dalheim, a teapot for two.

May door prize was

Gym and Swim Program

A gym and swim for Tiny Tots Program will be held this summer by the Sturgeon Regional Recreation Department for residents of the Sturgeon Regional area. This program will be held at the Victoria Composite Pool and Gymnasium in Edmonton.

There will be two sections classified according to age: Section #1 - This section will accommodate 28 four to six year olds. The program will include 1/2 hour of arts and crafts, 1/2 hour of games and 1/2 hour of swimming.

Section #2 - This section will accommodate 18 - 18 months to three year olds. The program being much the same as above. A parent or guardian must accompany each swimmer in the pool.

Both of these sessions will run from 11:30 a.m. to 1 p.m. on July 2 to 12, (Tuesday, July 2 to Saturday, July 6 and Monday, July 8 to Friday, July 12). Bus transportation will be provided with departure points being Morinville leaving at 10:30 a.m. and Namao leaving at 10:50 a.m.

A parent or guardian must accompany each participant.

By Norma Crozier

Namao Plus 60 Club's final wind-up date has been changed from June 20 to June 27 at 6:30 p.m. A pot luck supper followed by a program will be held in the Community Hall. All interested Senior Citizens are invited to attend.

A very successful Farmer's Day Horse Show was held on June 8 at the Namao Gymkhana grounds with a good turn out of horses and riders. High Point trophies were won by a mother and daughter, Junior trophy to Tracy Hood of Gibbons and

Senior trophy to Mrs. Beverly Hood. Second Place Jr. runner-up went to Marsha Rigney of Bon Accord; Third Place to Beverly Epp of Gibbons; Fourth Place to Brian Pearsé of Namao; Fifth Place to Valerie Blamire. In Senior competition: Second Place to Ollie Sutton; Third Place a tie between Lydia Lang and Peter Engley. Fourth Place also a tie between Alexia Armstrong and Lois Horsnett; Fifth Place to Mrs. Eleanor Epp of Gibbons.

Congratulations to new grandparents Mr. and Mrs. Reg Waterhouse on their first grandchild a boy, Brack Mack, born to Clinton and Cheryl Mack on June 4, weighing 6 lbs. 13 ozs.

An appreciation night will be held in honor of Mr. William Tanasluk at Namao School on June 22 with open house from 7 p.m. - 10:30 p.m. Mr. Tanasluk, principal of Namao School has taught at Namao for 22 years and all friends and former students are invited to attend.

Morinville

Alberta Government Telephones has announced a \$765,000 project in Morinville for a building extension and installation of the most sophisticated facilities available.

Construction for the extension will begin during July 1974, and telephone equipment will be installed for service June 29, 1975.

The switching equipment will be computer controlled and will complete calls faster and with greater reliability than existing equipment.

MORINVILLE MEMOS

By Flo McGinnis

The contract for installation of the artificial ice plant in the Morinville arena has been awarded to ESK Distributors of Edmonton and the work will commence immediately following Frontier Daze. The executive of the Central Sturgeon Agricultural Society advise that anyone who has not been contacted or who have not made pledges are urgently requested to contact the Royal Bank or the Credit Union as soon as possible. If other arrangements are desired you may call Ed Kryskow at 256-3243 and he will be pleased to assist you.

On May 22 Mrs. Norman Bolssonault and her mother Mrs. Vernon Slebert, flew to Spokane for a stay of three days at Expo '74. They flew from Spokane to visit

all tourist attractions in Victoria, and returned home by plane on May 28.

The next meeting of the United Church Ladies Aid will be held at the home of Mrs. Bernice Rockwell on Tuesday, June 18, beginning at 8 p.m. sharp. Any newcomers are most welcome to attend. For information regarding the United Church or the Ladies Aid, please call Jean Robinson at 256-3153.

The Morinville Lions Club have announced that they are taking nominations for the Citizen of the Year award which will be presented at the final night of Frontier Daze. Nominations must be submitted in writing prior to June 21. The club requests that you outline a biography of what the nominee has done in community

affairs etc., from June 1, 1973 to June 1, 1974. Please address your submissions to R. Anderson at Box 11, or Garnet Willey at Box 286, and remember the deadline date is June 21!

The Leduc family wishes to express sincere thanks to all those who offered their sympathy at the death of Mrs. Marcel Gagnon.

On June 4 some 86 youngsters gather with instructors and parents at the Morinville Recreation Centre where they received certificates upon completion of the Junior Pedal Pusher Club program. All those receiving certificates were introduced by their individual instructor, and Constable John McEwan gave a short address and verbal tests to the participants. Instructors this year were: Doug Bryan, Mrs. Janice Lamb, Mrs. Vivian Peyer, Charles Krauskopf, Doreen Calder, Sylvia Flannigan and Karen Weston. Assistants were: Dennis Bolssonault, Laurier Nobert, Eldon Lunger. Following the presentations the children were given a small treat and encouraged to enter their decorated bicycle in the Frontier Daze parade on Saturday, June 22. Children may call their former instructor if they have any questions regarding the entry.

Morinville Board of Trade decided at their regular meeting held June 3, not to hold regular meetings for the months of July and August. Therefore the next meeting will be Tuesday, August 6 (since the 5th is a holiday). Special guest speaker for the June meeting was Mr. Frank Teepell, field services representative in the Province of Alberta and the Northwest Territories, for the Canadian Chamber of Commerce. Mr. Teepell explained the details of the 'Chamber of Commerce' and what the role is as a leader of the community. Explaining how the Chamber works on local, provincial and federal levels, Mr. Teepell answered many questions for the Morinville Board of Trade members.

Applications are still being requested for various events to be held during Frontier Daze. Tug-o-war - call 256-3435; Canoe Races - call 256-3470; Cycle Racing call either of the schools in Morinville. Remember the dates JUNE 22 and 23!

Andy Lee, CFCW's Goodwill Ambassador, and his palomino horse Cactus, will be two of the many attractions at the Morinville Frontier Daze Saturday, June 22. Andy would like to see you there and meet you personally at the early morning breakfast starting at 7:30. There will be a shooting exhibition by Andy Lee and his Colt 45's during the breakfast. Andy and Cactus will be in the parade at 10:30 with his silver mounted saddle guns. See you there.

Senior citizens on eastern tour

A group of 35 Senior Citizens from the Rendezvous Club of Morinville left Monday, June 10 via Air Canada for Ottawa. There they will remain for five days visiting in Ottawa and some rural areas. They will then travel by bus to Montreal for three

days, and then on to Quebec City, visiting Notre Dame du Cap and other points of interest. At Ste. Anne de Beaupre, Monseigneur Lussier will celebrate mass for the group. Flying back to Edmonton, the Senior Citizens will arrive around 11 p.m. on June 20, in Morinville.

This trip has been arranged through the Sturgeon Regional Recreation Council and partly funded by a \$4,500 grant from the Department

of Secretary of State. The Senior Citizens put in \$5,530 themselves and this will be a dream come true for them. Arranged as a pilot project, it is hoped that this type of a tour may be set up for other areas that are included in the Sturgeon R.R.C.

Eve and Laurent Coulombe of Morinville are accompanying the group and will be assisting the Senior Citizens with all the details of the trip.

Morinville Wins Track Meet

The Morinville Sports Association Track and Field Meet was held at Georges P. Vanier on Thursday, June 6, 1974. The meet featured participants from Camilla, Morinville and Legal. Morinville won the school aggregate trophy with a total of 702 points, followed by Camilla with 578 and Legal with 294 points.

Top point-getters for Morinville were Stuart Schriver and Janet Milligan with 20, and Suzanne Riopel with 18.

Lisa Hermanutz and Tracey Berube with 20 points each, and Trevor Hermanutz with 16 were Camilla's top point-getters. For Legal they were Melvin Cornelis with 18, Lyle Trithart with 15 and Judy Krauskopf with 14.

NOTICE

REDWATER FIELD
APPLICATION NO. 7743

TAKE NOTICE that, unless objection by a person having a bona fide interest in the matter is filed on or before June 28, 1974, with the undersigned and with the applicant at its address set out below, the Board may grant an application by Imperial Oil Limited, with respect to the Red Water gas processing plant located in the Southeast quarter of Section 29, Township 57, Range 21, West of the 4th Meridian. The application is for approval to increase the required minimum sulphur recovery efficiency from 92.2 per cent to 93.5 per cent and to increase the maximum permissible sulphur inlet rate from 28.6 to 34.4 long tons per day. The maximum permissible emission of sulphur dioxide to the atmosphere through the existing 150-foot incinerator stack would be reduced from 4.46 to 4.4 long tons per day.

Copies of the application and information and particulars filed in support thereof may be obtained by interested persons from Imperial Oil Limited, (Attention: Mr. D. J. McEachern), 500 Sixth Ave., S.W., Calgary, Alberta, T2P 0S1. DATED at Calgary, Alberta on June 6, 1974.

N. A. Macleod,
Board Solicitor,
603 - 6 Ave. S.W.,
Calgary, Alberta,

Mrs. Jacoba Kwak prepares to cut the beautifully decorated cake which topped off the luncheon served at the open house farewell party held for her on her retirement after 15 years as director of the St. Albert Protestant Kindergarten. Mr. and Mrs. Kwak are leaving St. Albert to make their home in British Columbia.

Mrs. Kwak honoured on retirement

Mrs. Jacoba Kwak of 54 Grandin Road, St. Albert, was honoured on May 28 at the Braeside Presbyterian Church, upon retirement as kindergarten director and teacher. During the evening about 175 former and present kindergarten pupils and their families dropped in to express their gratitude to Mrs. Kwak for her services and friendship and to wish her and her husband many happy years of retirement.

The celebration took the form of an open house. Lunch was provided by this year's class as well as many friends. Several pupils from Mrs. Kwak's first class in St. Albert were present to look after the guest book and

assist in serving. A cake was donated by St. Albert Bakery and a table bouquet and corsage for Mrs. Kwak were donated by Mr. and Mrs. Tjelm of Cascade Wedding Services. During the evening a gift of crystal was presented to Mrs. Kwak by Mrs. June Kerrison on behalf of the board of the St. Albert Protestant Kindergarten Society and cash donations accompanied a card.

Mr. and Mrs. John Kwak and their three sons, Frank, Andy and Walter came to Edmonton from Holland in 1955 and settled in St. Albert four years later. As Mrs. Kwak was a trained kindergarten teacher the St. Albert Protestant School Board asked her to take over

a class. Due to shortage of space in the schools, in 1965 the kindergarten was moved to the Club Moombo for two years and then to the present site in the Braeside Presbyterian Church.

This spring Mr. Kwak sold his printing business. Mrs. Kwak applied for an Early Childhood Services grant which resulted in the kindergarten being taken over by a parent society. Now the kindergarten proceeds under the St. Albert Protestant Kindergarten Society.

The couple are moving to North Pender Island in the Gulf Islands of British Columbia and hope to pursue hobbies such as painting, fishing, sailing and basing in the sun.

Lions hear speaker on Nigeria

At their May 28 meeting the Breakfast Lions enjoyed an extremely interesting talk on his homeland by Mr. O. Newmart of Nigeria. Speaking on the people and the resources of his country, Mr. Newmart noted that Nigeria is approximately the size of our three prairie provinces, but contains 79 million people, as compared to Canada's population of about 23 million.

Nigeria today, he said, faces problems of educating her people, the majority of whom are illiterate.

Now that the civil war has ended, the people of the different tribes have settled their differences, and are now working to make their country a land of milk and honey. With all its natural resources, and a climate that sees only two seasons -- hot and wet, and hot and dry, they stand a good chance of pulling it off.

The meeting was informed that the telephone books tabling project netted 241 sales and 146 deliveries for a total

of 4,030 points, realizing - \$106.65 for the club coffers.

The Bacon and Eggs group will assist the Supper Club in putting on a barbecue for about 60 students from Lorne Akins Junior High, and their counterparts from Lennoxville, Quebec in the Student

Exchange project next Monday.

It would appear that the Lions with big appetites will be well looked after at the park that evening, since the Lady Lions Barbecue, with husbands invited, takes place at the park the same night.

GOOD LUCK!
